Creating a Positive Climate for Division-Wide Excellence
Designing Systems for Academic & Behavioral Success for ALL Students in ALL Settings

PBIS a research-based approach to effective discipline
- The school’s vision sets the stage for success.
- The school community shares common language.
- Common practices are used consistently among students and staff in all areas.

Coaching Support for All PBIS Schools
- Builds capacity and maintains sustainability.
- Provides on-going training and technical support.
- Facilitates collaborative teamwork.

In the classroom. On the playground. In the library. On the bus.

Essential Features of School-wide Positive Behavioral Support
- Staff clearly define and teach expectations.
- Schools develop a continuum of procedures for supporting positive and addressing negative behavior.
- PBIS teams continuously monitor for effectiveness.
- Data analysis drives decision-making.

Academic & Behavioral Systems
- Universal Interventions
- Targeted Group Interventions
- Intensive Individual Interventions
- Students
Join the journey to excellence for ALL students with school-wide PBIS.

Effective implementation results in:

- Increased school community support and collaboration.
- Improved school climate.
- Increased academic achievement.
- Reduced office referrals & suspensions.
