

MEET THE TEACHER

About Me

Ms. Johnson

Greetings, I am thrilled to be your child's SEARCH teacher this year! I love teaching children to be bold and take risks using their awesome brain power. I believe in persistence and the power of YET!

Some things I love to do include singing or listening to many types of music, reading, and walking & hiking in the great outdoors. I enjoy clever puns and learning about word etymology. My favorite place to be in the whole world is in Acadia National Park in Maine.

EDUCATION

My educational background includes a B.A. Elementary Education Degree from Southern University in Tennessee. I am endorsed to teach EL, and I studied at UC San Diego to receive my endorsement in Gifted Education. I've been blessed to teach in Loudoun County in the Sterling area for the past 18 years.
