**FREQUENTLY
ASKED QUESTIONS**

QUESTION	ANSWER
What is meant by “voluntary” and “involuntary?”	<i>Voluntary means you voluntarily entered the transfer process and received a transfer to a requested position or location. Involuntary means that you received a placement that you did not request.</i>
Do I register for the transfer process the same way I did last year?	<i>No. This year, Round I and Round II positions are posted on the job posting board housed in Oracle Self-Service, which can be found via the LCPS homepage (www.lcps.org): Oracle Self Service (on left side of page) > LCPS IRC Employee Candidate > Employee Candidate > Search For Jobs</i>
Where can I find more details about eligibility for the Licensed Transfer Process?	<i>Please review Policy 7304 and Regulation 7304 for a detailed description of both the Licensed Transfer Process (including eligibility) and the Involuntary Reassignment Process.</i>
If I enter Round I of the Transfer Process, am I <u>more</u> at risk for being involuntarily reassigned to a school not of my choice?	<i>No.</i>
May I request a transfer to another area where I hold licensure?	<i>Yes, even if you do not want to change schools, you can enter the transfer process to apply for positions in another subject area for which you are endorsed.</i>
If I do not get the transfer I requested in Round I, may I apply in Round II?	<i>Yes.</i>
If I accept a transfer I requested in Round I, can I apply to transfer in Rounds II?	<i>No.</i>
If I am involuntarily reassigned in Round I, and accept a voluntary transfer in Round II, may I still apply for another voluntary transfer?	<i>If you have been involuntarily reassigned in Round I, and then have accepted a voluntary transfer in Round II, you may only accept a second lateral voluntary transfer if that transfer would return you to your original school.</i>
How will I find out if I have been involuntarily reassigned?	<i>You will be notified by your principal between Monday, February 12, 2018, and Friday, February 16, 2018. You will also be notified of your placement via e-mail by HRTD by Tuesday, February 20, 2018.</i>

SUBJECT: 2018-2019 Automated Licensed Transfer Process

WELCOME TO THE ANNUAL LICENSED TRANSFER PROCESS!

The transfer process for the 2018-2019 school year will begin for licensed employees on December 1, 2017.

The policies and procedures related to Involuntary Reassignments and Voluntary Transfers remain unchanged from last year. **Please review School Board Policy 7304 and Regulation 7304 on “Licensed Employee Transfers and Involuntary Reassignments” to re-familiarize yourself with the policy and its associated procedures.** We encourage you to review each policy and the regulation for a complete description of the transfer process; however, for your reference, we have also highlighted below several of the policy’s provisions.

Regarding the Licensed Transfer Process:

- Eligible licensed employees currently holding either an Annual or Continuing contract may enter the Licensed Transfer Process to apply for voluntary transfers.
- Employees who are not eligible for a voluntary transfer include:
 - Employees in positions that are .40 FTE or less;
 - Employees on End-of-Year contracts;
 - Employees who have not successfully completed the Mid-Year Support program; or,
 - Employees who are not otherwise eligible for continued employment in the upcoming school year.

- Eligible positions can be posted one of three ways, upon a principal’s request:
 - Internally only;
 - Simultaneously posted internally and externally; or,
 - Internally first, and then later as an external posting.
- Positions posted as part of the Licensed Transfer Process will remain posted until filled.
- The Licensed Transfer Process concludes each year on June 30th (or the last business day of the month if June 30th falls on a weekend). **This year, the transfer process will conclude on June 29, 2018.**
 - Limited exceptions may be made to grant an internal transfer after June 29th if certain approvals, including the agreement of both principals and HRTD, are obtained. Information about these types of exception requests is outlined in Policy and Regulation 7304.
 - Please see Policy 7304 for additional information about Special Education program moves and reassignments.

As a reminder, the Licensed Transfer Process is a confidential process. Names of employees who are seeking transfers will not be provided by the Department of Human Resources and Talent Development to the employee’s current principal or supervisor. However, a principal or supervisor may contact an employee’s current principal or supervisor for an internal reference, in which case an employee’s interest in transferring would become known.

Accessing the Licensed Transfer Process

Beginning this year, the Licensed Transfer Process is accessed through Oracle Self-Service (the former system is now defunct, and can no longer be accessed). Oracle Self-Service can be found via the LCPS homepage (www.lcps.org):

Oracle Self Service (on left side of page) > LCPS IRC Employee Candidate > Employee Candidate > Search For Jobs

Attached to this memorandum is a flyer that provides instructions for submitting an internal application for a position, as well as tips for searching for positions.

A complete application, including a resume, must be submitted in order for your application to be considered “complete” and viewable to principals.

The Department of Human Resources and Talent Development is not responsible for misdirected or incomplete transfer submissions, and cannot make changes relative to your transfer application once submitted.

The Transfer Rounds

The Licensed Transfer Process for 2018-2019 School Year **opens on Friday, December 1, 2017, and concludes on Friday, June 29, 2018.**

Round I Information:

Eligible licensed employees may submit applications through Oracle Self-Service **beginning Friday, December 1, 2017, through Tuesday, January 2, 2018.**

In Round I, three positions will be posted:

- Teacher, Elementary School
- Teacher, Middle School
- Teacher, High School

You may apply for any of the three positions, depending on your program-level of endorsement(s) and interest. Within your application, you will select the endorsement(s) you hold, as well as select the schools to which you are interested in transferring.

Only the principals of the schools you have selected will see you in their applicant list.

Round II Information:

Round II of the Licensed Transfer Process begins on **Tuesday, February 20, 2018, and concludes on Friday, June 29, 2018.**

In Round II, specific positions will be posted via Oracle Self-Service (e.g., Teacher, English at Freedom High School; Teacher, Grade 1 at Mill Run Elementary School, etc.). You will be identified as an internal applicant by your work history provided, and on the resume you upload.

Principals will contact you directly for an interview, if interested in your candidacy for their position. Official offers to transfer are made by the Department of Human Resources and Talent Development.

A Note Regarding Contracts for 2018-2019

Signing your contract will not prevent a transfer. If you are selected for a transfer after signing your contract, you will not receive a new contract. Instead, you will receive written verification of your placement for the 2018-2019 School Year.

If you have any questions about transferring, please email us at transfers@lcps.org, or contact your respective Human Resources and Talent Development Supervisor:
