welcome

Welcome to kindergarten!
What an extraordinary journey we will embark on together this year! Your child is sure to impress you with all the amazing things they will learn to do in kindergarten.

a little about me

I've lived in Loudoun County since the age of 7. I now live in Leesburg with my husband Joe and our 3 beautiful and spunky kids- Gracie (10), Charlotte (7), and our youngest by less than a minute Sebastian (7). The 2018-2019 school year marks my 15th year teaching kindergarten at Horizon.
