Broad Run Seniors and Parents,

I wanted to be in contact regarding our Senior Celebration that we have planned for June 8 at 7:00 pm. This is a virtual celebration and is a great opportunity to proudly showcase the incredible class of 2020.

We look forward to our face-to-face graduation and will provide directions and planning opportunities in the near future.

You will receive an email (to your school email: studentnumber@lcps.org) from a third-party vendor, Marching Order, who is working directly with Herff-Jones. They are creating this senior celebration from the photos and feedback they receive from you. It is critical that you look for this email, respond and provide the photos and documentation they are requesting. We want all our seniors represented!

The absolute deadline for you to send these items to Marching Order is May 18th by 5:00PM.

If you have any questions or concerns, please contact david.spague@lcps.org.

Thank you for your continued dedication and patience on this important 2020 Celebration.
