PTA President's Message

Tolbert PTA is pleased to welcome to you back to another great year here at Tolbert!

Tolbert's PTA Board has been busy this summer planning an exciting year ahead for Tolbert students and families. I encourage you to join the PTA and be a part of the many events we offer. As an active member of the PTA, you will see firsthand the difference we make in our children's education.

With the funds the PTA raises, we are able to contribute to our children's education in so many ways. Whether it is through the donation of computers, playground equipment, science materials, books or other needed items or through the time parents give volunteering in the classroom, we are able to truly enhance our children's elementary school experience.

Be sure to check out the PTA calendar on the Tolbert Elementary website for information on upcoming events and volunteer opportunities. There are so many ways you can help. Many volunteer jobs require minimal time, can be done from the comfort of your home and are actually really fun!! Each and every hour you volunteer is vital to our success and is so appreciated. Best of all, you will know that you are directly impacting your child's education.

We can't wait to welcome you to PTA events so we can support our children and our school and make this year at Tolbert our best yet!

Please don't hesitate to contact me or any PTA Board member with questions. ***Welcome back to school!***
