

Hello, Parents!

This spring, Tolbert will begin the large project of replacing our landscaping in the front of the school. Many areas have become overgrown and some even reduce the visibility of our children in the parking lot. This landscaping project will not only make our school look beautiful, but will help keep our children safer on school grounds.

The PTA is helping to fund this project in several ways, including the selling of "Tolbert Trees." If your family would like to participate in this important project, please consider sponsoring a tree! Funds go directly to the landscaping project.

Maple..... \$50

Crepe Myrtle..... \$75

Magnolia..... \$100
