

ELEMENTARY GIFTED INFORMATION SESSIONS

If you are considering referring your child for gifted services, join us to learn about elementary gifted education services available through Loudoun County Public Schools and the eligibility process for these services. These sessions are tailored for parents of students in grades 3-5.

The same information will be presented at each of the meetings, so it is not necessary to attend more than one session. In case of cancellations due to inclement weather, check the gifted education webpage at <http://lcps.org/Page/617>.
