We invite teens and parents to a shared workshop experience. The workshop will begin with a powerful personal story of recovery from speaker Sam Lucania. From Sam’s website, “Sam Anthony is a person in long term recovery from substance use disorder, who uses his personal experiences with drugs, alcohol, depression, anxiety, and suicidal behavior to educate and motivate others.

He has passionately shared his story with thousands of high school and college students, health care professionals, and government officials through motivational speaking, panel discussions, and personal testimonials. Sam’s message emphasizes awareness and encouragement.”
