One night only screening of “The Upstanders,” an IndieFlix documentary that explores cyber-bullying, bullying among friends, families, co-workers and the brain science behind it all. The film highlights new laws and programs already reducing bullying in schools and shows us how we can learn to make a difference together to create systemic change.

Following the screening, Unified Mental Health staff will answer questions and engage participants in meaningful discussion. Participants will gain insight, tools, resources, and hope.
