MSAAC Update

General Membership Meetings

Location: LCPS Administration Building at 21000 Education Court, Ashburn, VA

Date & Time: 3rd Wednesday of the month from 7:00 pm-9:00 pm (usually)

October 17, 2018

Topic: Get to Know the LCPS School Board

Current LCPS School Board members were invited to attend the October MSAAC meeting. In attendance were: Joy Maloney (Broad Run), Tom Marshall (Leesburg), Jeff Morse (Dulles), Debbie Rose (Algonkian) and Brenda Sheridan (Sterling). At-large member, Beth Huck provided a video message. Eric Hornberger (Ashburn) was not present. Each member met with the various school clusters for an extended period of open dialogue. Brenda Sheridan joined the Briar Woods High School cluster. The conversation focused on (1) Getting **SEARCH** teachers more engaged at their respective schools recognizing their limited time and resources; (2) Organizing MSAAC to get items included in **LCPS Strategic Plan**; and (3) Implementation of the **EDGE Program** for historically underrepresented students – Currently in 13 elementary schools and 16 to be added in the 2018/2019 school year of which Mill Run is one of. (Yay!) For more info on EDGE: <https://www.lcps.org/Page/210260>.

SEAC

Next meeting - November 7, 2018 6:00 – 8:00

Location: LCPS Administration Building at 21000 Education Court, Ashburn, VA

The primary role of the LCPS Special Education Advisory Committee (SEAC) is to advise the School Board on unmet needs of special education students. SEAC is composed of 21 members who are parents and at least one educator who volunteer their time to our community. They are appointed for two-year terms by the School Board through an application and recommendation process. The executive committee of SEAC is elected by its 21-person membership to lead the work of SEAC throughout the year. SEAC also requests that a PTA/PTO Representative for each LCPS school be appointed each year to attend meetings, participate in discussions, and report back to the school on matters that affect special education.
