

August/September 2023

This month we are learning...

Math—We will begin to grow our foundation of number sense by learning to count to 110, recognize and write numbers to 110. We will learn to count by fives, tens and twos and backwards from 30. At the end of the month we will begin to group numbers into tens and ones and learn about the base ten system.

Social Science —We will get to know each other and create a classroom community. We will learn about the traits of a good citizen and practice demonstrating them in school and at home.

Science - We will conduct experiments to learn about the sun, why it is important and how it moves throughout the day.

Reading & Writing-- We will start to work on building a solid foundation for reading by focusing on decoding words and comprehension skills. In writing, we will learn correct letter formation and grammatical skills.

Important Dates

- 8/24 School Starts!
- 9/1 & 9/4 No School Labor Day weekend
