

# February 2024

## This month we are learning...

**Math**—We will complete our unit on measurement and begin our fractions unit. We will be able to divide things into equal parts and describe shares as equal pieces or parts of the whole (e.g., halves, fourths), when given a practical situation.

**Social Science** —We will continue to learn about the history of Virginia and important contributions of Virginians. We will also learn about different holidays we celebrate.

**Reading & Writing**-- In reading, we will be reviewing and strengthening our comprehension skills. We will be retelling a story, sharing our favorite part, and making plausible predictions and connections. In writing, we will be using authors as mentors to write a variety of genres.

**Phonics**-- We will review reading and spelling words ending in -ed, -es, and -ing. We will learn to read and spell words that end in y. We will also learn about compound words and types of syllables.

**Heart Words:** been, into, friend, because, woman, & move

## Important Dates

- 2/9 No School→Lunar Holiday
- 2/14 Class Valentine's Exchange
- 2/19 Presidents' Day→No school

## Reminders

- ❖ **Valentines**-There can not be any candy on the Valentines.
- ❖ Please help your child dress for the weather.

## Happy Birthday!
