Pinebrook Elementary School
Mr. Paul Thiessen - Principal
Mrs. Daryl Rodgers - Assistant Principal
Mrs. Erin Wilhelm - Elementary Dean

Aug. 23, 2017
Dear Pinebrook Pumas,

Welcome to a new year at Pinebrook Elementary! We are excited and ready. I saw one of the most motivating quotes from one of our teachers as she posted it on a bulletin board in her room. It read, “180 days = 180 opportunities.” I loved it. I thought the quote put the year in direct perspective for a successful mindset of positivity, success, and inspiration to learn. The quote was a pure #bucketfiller to me as I walked in the room. I really felt like the message was clear. We are about learning and progress as we strive for excellence. The message allowed mistakes to be part of the learning because then you will be closer to success. Each room has a warm feel, a smiling teacher, and a staff that is ready to support each child along the way. We are excited to have the year begin.

This year, we will continue the pursuit to implement the Reader’s Workshop Reading program that we have worked on the past few years. Reader’s and Writer’s Workshop is a program developed by The Teacher’s College at Columbia University in New York and lead by Lucy Calkins, who is a renowned researcher and writer of reading Instruction. Grades 3-5 have been working to implement the program the past few years and we are beginning to transition the younger grades to the program as well. Changes like these are a process and we are doing well.

We will also focus on “Project Based Learning” in some way across all grade levels. PBL as it is called, is a program that gives a nod to the STEAM education program that we’ve been developing over the past few years. PBL contains all the components of STEAM that we loved (questioning, redesign, etc.) but also contains authentic assessments of the learning that includes an audience that is outside the classroom (such as the community, school, or even another class). We are just beginning to work towards a PBL framework and many teachers have begun work with the program.

Do not expect big sweeping change but incremental steps as we adjust to the ideas and make them part of our regular solid practice. Projects are a key word as this program involves group work, creativity, and working to solve authentic problems in the world. Moreover, STEAM Expo will still happen.

We are known as being a school that respects, cares for, and are dedicated to all children. We ARE a family friendly school. I am proud of the fact that we have a strong and collaborative relationship with our PTA. Mrs. Andrea Carroll, our PTA president and I encourage each parent/guardian to be an active participant in the PTA. It is my hope that this year, we have a record number of parents joining and then actively volunteering in the PTA. Research shows that when a parent/guardian is involved in their child’s school, that child’s growth and success will increase. Being involved can range from becoming a PTA member and volunteering your time with PTA events to chaperoning a field trip, attending the various Family Nights, or contributing by providing dedicated nightly academic support and staying in communication with your child’s teacher.

Together, we are a community that is responsible for the development of children and I’m convinced that there is no greater charge to be given. We work to guide a child’s understanding of some of life’s most difficult aspects such as social relationships, problem solving, and the power of hard work. We model how to respond to situations appropriately, positively and constructively. A school or a home cannot do this independently from one another. We are a team and a strong bridge must be built between home and school to create an environment for students to find earned success. We rely on each other as we walk behind your child together and push them forward in preparation for their future.

Again, welcome to another great school year! My door is always open, and I am eager to serve you and your child.

Go Pumas!
Warmly,

Paul Thiessen Principal

ATTENDANCE

Attendance at school on a regular basis is vital in maintaining satisfactory school progress. We ask that you have your child attend school each day that he/she is healthy. It is disruptive to your child’s educational program when you remove him/her from school for trips or family outings. Parents should make every effort to plan these outings so as not to conflict with the school’s instructional calendar.

Our school day begins at 7:50 a.m. Students are expected to be in their classroom by that time. Students who arrive after the 7:50 bell are considered late (tardy) and need to be accompanied into the office by a parent/guardian to be signed in and obtain a late pass before proceeding onto their classroom.

If you child will be absent due to illness or other circumstances, please call our absentee call in line at 703-957-4330 or visit our Pinebrook website at http://www.lcps.org/pinebrook and email us your child’s absence. Should you need to speak to someone in the school office, please call 703-957-4325 between the hours of 7:15a.m. and 3:30 p.m. Upon returning to school following an absence, a written explanation is required. This note should be given to your child’s teacher.

Students who are absent due to a fever, must be fever free for 24 hours without medication, before returning to school.

Students who will be absent due to vacation, and will be absent for three or more days, will need approval from the principal.

If you have not notified the school of your child’s absence, school personnel will make reasonable effort to contact you concerning the absence of your child.

Please note that an excessive amount of unexcused absences and or tardies may result in a call from the LCPS truancy officer.

A very special part of a young child’s life is the celebration of his/her birthday. The following are suggestions of ways in which we can join in this celebration.

2. To be consistent with LCPS practice, baked goods/candy, popsicles, treat bags of any kind will not be distributed due to the many allergies.
3. Children’s feelings are easily hurt. Consequently, all invitations for individual parties must be made outside of school, unless all students in the class are invited.
4. Balloons are not permitted.

4. In the event of an early dismissal, buses will follow their normal routes.

COMMUNICATING WITH PARENTS
Every effort is made to keep parents informed of what is happening at school. Each teacher provides regular communication via a newsletter, regular group email, class blog or combination of communication avenues. Pinebrook will send a weekly message to share about upcoming events, news from specials teachers, as well as procedural updates and information. It is essential that parents take the time each evening to go through your child’s backpack. Most schoolwork will be sent home in the homework folder along with other school announcements such as picture information, PTA information, etc.

Many teachers use Twitter throughout the day. Please see you child’s teacher’s webpage for their twitter handle. Follow them for updates, reminders, and learning celebrations in the classroom. Pinebrook has its own Twitter Handle @PThiessen_LCPS. Twitter posts from the school or classroom will appear to Pinebrook’s main webpage.

Keeping informed will aid both the parent and child in keeping organized and knowledgeable about what is happening in both the classroom and school. Be sure to check the Pinebrook webpage at http://www.lcps.org/pinebrook often.

Likewise any clothing that is distracting to others such as tight and short dresses, halter tops, spaghetti strap tops or tops that expose the midriff area, very saggy pants, and cosmetics are considered inappropriate for elementary school. **EARLY DISMISSAL-DISMISSAL CHANGES**

Early dismissal during the school day should be governed by the following procedures:

1. Parents desiring a child to be excused from school for educational or medical reasons must send a written request to the main office. You may also notify the teacher, but the official request must come through the main office.

2. Parents picking up a child for an early dismissal must come to the office and sign their child out. Office staff will call your child from the classroom upon your arrival. Parents are asked not to go directly to the classroom to get their child. You can complete the “Early Release and Dismissal Change” form located on the front page of the Pinebrook website.

3. Please be prepared to show picture identification before your child is released to you.

4. Please be sure to complete a dismissal change or early dismissal by 2:15pm to ensure we have accurate accountability sheets for students.

5. Parents can use the “Change of Dismissal” form located on the main Pinebrook Website

Contact Person: Attendance Secretary Ms. Kiki Georges
EARLY SCHOOL CLOSING
Early dismissal by Loudoun County Schools during the day may take place due to inclement weather, failure of heating/water systems, or natural disaster. Please have a plan in place for your child in the event of an early dismissal. An “Early Emergency Release” form was included in the first day packet. Please be sure to complete and return ASAP. If your child is typically a walker, we can not send a child home during an Early Emergency Release as we can not guarantee that a parent would be home in this special circumstance. Please plan to pick up your child in the Kiss-n-Go line.

Children should particularly be instructed as to the procedure to follow if no one is home during the school day. Unfortunately the school cannot commit to calling home for each of our students. Phone lines must be kept open for communication with central office personnel. Please check the Loudoun County Webpage at www.lcps.org for up to the minute reports on early school closing.

Contact Person: Main Office during the event, Mr. Thiessen afterwards

EMERGENCY CARDS
At the beginning of the school year, a form is sent home with each student that lists phone numbers and persons to contact is case of an emergency. This form is very important. Emergency forms must be kept up-to-date. If you move or change your home, work, or cell phone numbers, we ask that you inform us immediately. It is very important that we have correct information at all times.

Two lock down drills are required within the first month of school and two more throughout the school year.

Bus evacuation drills and tornado drills are practiced twice a year.

**GUM**
Gum is not permitted in the school building at any time because of possible damage to books, furniture, or school building.

**HOMEWORK**
Homework is an extension of the learning that takes place in school. Homework can provide practice and drill that reinforces classroom learning and can provide opportunities for independent study, research, and creative thinking. Parents can help their children by arranging a quiet, comfortable place for the student to work and by seeing that assignments are completed. The LCPS guidelines for the amount of homework given each evening are as follows: children in grades one through three should be given no more than thirty minutes of homework each night; children in grades four and five should be given no more than sixty minutes of homework a night. Children in the primary grades are often asked to read nightly and study math facts for their homework assignment. This type of assignment is just as important as a written assignment and should be completed just as carefully as any other written work assigned.

Often teachers in the upper grades will assign children long-term projects. The expectation is that the children will learn to “pace themselves” and not save all of the work for one or two nights. If you have a question about the amount of homework your child is receiving (too much or too little) please discuss this with your child’s teacher.

It is our belief that weekends are made for quality time with family. Homework will not be assigned on weekends.

These policies clearly set forth the responsibilities of students and the consequences of violating the policies. These may be reviewed in the School Board Policy Manual located in the principal’s office and library.

**INSURANCE**

They are held for the purpose of library instruction as well as for the enjoyment of materials and books. The library is also open to students, under the supervision of a classroom teacher, for the purpose of completing related assignments, such as independent study projects. There is no fine for overdue books although students will not be allowed to check out additional books until overdue books are returned. If a book is lost, the child will be assessed a fee to cover the cost of the book. Should the book be found, the money will be refunded.

The library collection is constantly updated and expanded. Books are chosen for either their educational or recreational value. A variety of audio-visual materials are available through the library for teacher use in the classroom.
