LCPS Bike to School Safety Guidelines

1. Students must wear a helmet when riding their bike to and from school.

2. A student's bike should be in proper working condition and appropriate size for the child.

3. Student's should ride on the sidewalk when possible, however students on bikes should yield to pedestrians walking on the sidewalk.

4. Student's should dismount from bike once on school property and walk their bike to the secure location (bike rack if possible).

5. Student's should dismount their bike and walk it across the crosswalks and follow the directions of any crossing guard.
Helpful Tips!

♦ Watch for vehicles coming out of or turning into driveways.

♦ Stop at corners of sidewalks and streets to look for cars and to make sure the drivers see you before crossing.

♦ Enter a street at a corner and not between parked cars. Alert pedestrians that you are near by saying, “Excuse me,” or, “Passing on your left,” or use a bell or horn.
