

***SELDENS LANDING ELEMENTARY***  
**STUDENT EMERGENCY CLOSING PLAN**

In the event of an early closing of school due to weather or other causes, I would like for school staff to instruct my child to follow the plan below. I understand it is my responsibility to explain the plan to my child and to make all the provisions necessary to carry it out. School staff members are unable to create and communicate emergency plans during an actual early closing as they are required to contact bus drivers, serve lunch to the children, and carry out many duties to ensure a safe early closing.
