§8-45C Interscholastic Activities Additions and/or Deletions

REGULATION**Adding or Deleting a Registry Interscholastic Activity from Particular Individual Schools**

After conducting an evaluation as outlined in Policy 8:45(B)(1), each high school principal may recommend to the Division Superintendent that a registered interscholastic activity be added to or removed from the activities in which that particular school participates. Upon receiving the principal's recommendation, the Division Superintendent will review the request and render a decision.
