

College and University Pennant Wall

The Seldens Landing physical education department pennant wall was created to promote continued higher learning, athletic growth, and team spirit. The wall in the gymnasium displays the pennants from colleges and universities where the school staff and parents within the community have graduated.

If you don't see your alma mater on the list, please feel free to donate a 12" by 30" pennant to add to the wall! Pennants can be purchased at <https://www.collegeflagsandbanners.com/college-pennants.html> or any other site that has the correct 12" X 30" dimensions. Thank you in advance for your participation and support in promoting the importance of continued academic and athletic growth!
