Did you know that Loudoun County Public Libraries host a variety of events and activities for young children? These include story times, music events, crafts,

science/technology activities, and much more.

The library would be a great place to incorporate into your routine for the upcoming summer months!

You can view the calendar of events at

I am 4

I'm a smooth talking, agile, and observant seeker of adventure.

I'm kind of a know-it-all... as in I *want* to know it all.

I have more questions in me than you have answers.

I'm perceptive enough to sense this can frustrate you, but please don't discount my inquisitiveness.
