IMPORTANT INSURANCE NOTICE—READ CAREFULLY
Loudoun County Public Schools does not provide medical or accident insurance for students injured while participating in school activities.

Dear Parents and Students:

LCPS receives reports of students who are accidentally injured while participating in school activities, including some serious injuries that require costly medical attention. The Procurement/Risk Management Office routinely receives calls from parents whose children are accidentally injured while participating in school activities and have no insurance coverage or have bills over-and-above what their insurance will pay.

LCPS does not provide medical or accident insurance for students injured while participating in school activities. But we do provide voluntary purchase of student accident insurance through K&K Insurance.

The insurance provided by K&K Insurance offers optional plans of coverage provided on an “excess basis” for accidental injuries that may occur during school activities or even around the clock, depending on the benefit option you choose.

If you already have insurance coverage through another policy, the K&K Student Accident Plans pay benefits for those eligible expenses not paid by your primary insurance. If there is no other insurance available to you, the plans will provide coverage on a primary basis.

Your voluntary enrollment in one of these plans should be carefully considered. For further details and to enroll in the K&K Student Accident Insurance coverage please go online to this link: www.studentinsurance-kk.com or call 1-855-742-3135.
Protect your child with student accident insurance. If you don’t have other insurance, this student accident insurance is vital. If you have other insurance, student accident insurance can help with deductibles and copays.

Expenses for the following are not covered: Prosthetic Devices, Mental and Nervous Disorders, Home Health Care, Injections.

This policy contains an excess provision. Benefits will not be paid under the Basic Accident Medical Expense for Covered Expenses to the extent that they are collectible under another Health Care Plan.

Details of these benefits may be found in the Master Policy on file at the School District. **NOTE:** This is a brief summary of the benefits and not a contract. A Master Policy has been provided to your school district that contains all of the provisions, limitations and exclusions and qualifications of the insurance benefits. The Master policy is the contract and will govern and control the payment of benefits.

Facts about the Policy
1. WHO IS ELIGIBLE: students of the policyholder who make the required premium contribution for the policy selected are eligible. Student status continues after graduation and between school years unless the person enrolls at a different school district.
2. The Master Policy on file with the school district is a non-renewable policy.
3. This is a limited benefit policy.
4. COVERAGE EFFECTIVE DATE: A person’s coverage takes effect at the later of the date his or her completed application and premium is received by the company or the effective date of the policy issued to his or her school or school district.
5. COVERAGE TERMINATION DATE: Coverage ends on the earlier of the date his or her coverage has been in force for twelve months or the first day of the next school year.
All coverage ceases if the policyholder cancels the policy or when person ceases to be eligible.
Termination of coverage for any reason will not affect a claim which occurs before coverage ends.
6. LATE ENROLLMENT: Coverage may be purchased at any time during the school year. There is no premium reduction for any individual who enrolls late in the year.
7. CANCELLATION: Coverage under the Policy will not be cancelled, and accordingly, premiums may not be refunded after acceptance by the Company. However, a pro-rata refund of premium shall be made in the event a Covered Person enters the Military Service.
