Create | Lead | Inspire | Motivate | Believe

Dear Brambleton Middle School Families:

Let me begin by saying, we are so excited to begin welcoming our newest Brambleton Bears in the Fall of 2019! In an effort to prepare our 6th grade students and parents for the transition into Middle School, we will be hosting the 6th grade Parent Information Event at Brambleton Middle School. This event is designed to provide information regarding our school, course registration, music clinics, and other invaluable information that will help you begin preparing for the transition into Middle School. *This is a parent only event.* We have scheduled other opportunities for our students to receive the same information presented. The music clinics, instrument and/or strings clinic nights are listed below.

Please take a moment to review the schedule.
