

# PBIS:

## The Big Idea

Positive Behavior Intervention and Support is an approach for teaching children appropriate behavior and providing the supports necessary to sustain that behavior.

PBIS is not a curriculum - it is a framework for systems to identify needs, develop strategies, and evaluate practice toward success.

---

# PBIS

- Foster a safe, more effective school environment
- Promote the prevention of discipline/behavior problems
- Encourage *natural* success
- Teach and support **positive behavior** for all students

## Our School Mission

Sycolin Creek Elementary School believes

... in a partnership between home, school and community, working together to provide a safe and supportive environment for learning

... that an emotionally and intellectually safe environment is necessary to encourage risk-taking with ideas, thoughts, and opinions

... in creating authentic and relevant opportunities for learning that result in deeper understanding and appreciation of the world

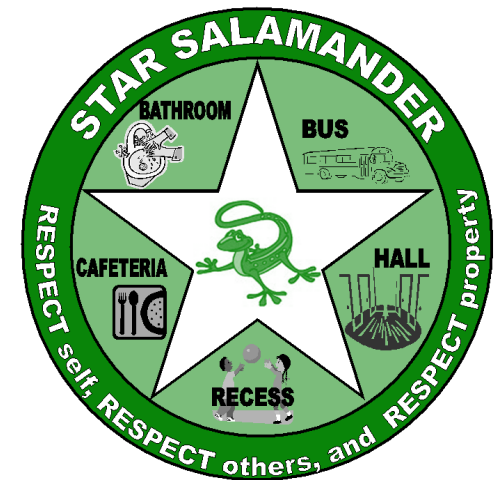

...that open-mindedness is valued and diversity celebrated

...in encouraging healthy lifestyles that promote physical activity with an emphasis on responsible decision-making

...in developing and modeling the character traits for effective citizenship and social responsibility.

... in recognizing and supporting the individual needs, interests, and common goals of life-long learners.
