

Below are 16 optional activities. See how many you can complete with your family. Color the boxes as you go, and turn your calendar in at the end of the month. A reading calendar is on the back—see how many days you can read this month by coloring in a square for each day of reading!

<p>*Be Kind* Make a list of ten things you are thankful for in your home.</p>	<p>Share fire safety rules with someone in your family who does not live with you by calling them or writing to them.</p>	<p>Write and tally numbers to 10. Can you go all the way to 20?</p>	<p>Say all your letter sounds for someone in your family.</p>
<p>Find one thing inside and outside that start with each letter you would find in November.</p>	<p>*Be Kind* Make a list of 10 things you are thankful for at school.</p>	<p>Write a poem or draw pictures to rhyme with these words: pie, turkey, leaf, fall</p>	<p>Play hide-and-seek with someone at your house!</p>
<p>With an adult, follow a recipe to make a yummy fall treat.</p>	<p>Draw a picture of everyone who lives with you. Be sure to use details in your picture! Don't forget fingers, shoes, hair, ears, etc.</p>	<p>*Be Kind* Make a list of 10 things you are thankful for outside.</p>	<p>Count by 10s out loud. Have a family member help you write your 10s number pattern.</p>
<p>Survey your family to find out what their favorite food is to eat—pie or cake? Make a chart to collect their answers using tally marks.</p>	<p>Re-read a favorite book with someone in your family.</p>	<p>Look for shapes around your home. How many can you find?</p>	<p>*Be Kind* Make a list of 10 things you are thankful for in your community.</p>

November Gross Motor Game: Build hopscotch squares outside. Place numbers inside of the squares to name out loud when you hop on the square. Then, make another hopscotch game and place letters inside to name out loud! See how long you can make your hopscotch path—can you write numbers to 30 and letters A-Z?
