We are pleased to offer the Dragon Pals Program this year. The purpose of the program is to increase positive interactions between general education students and students in our self-contained resource classrooms at Arcola. We also include students new to Arcola. Your child will be matched with another student who has been nominated by his/her classroom teacher and who possess the attributes necessary to be an effective friend. Dragon Pals will get together regularly to have lunch, recess, and attend school-wide events.

If you give your child permission to participate, please complete the information below and return it to Mrs. Spencer no later than Thursday, November 10, 2011.

A mentor training session will be held on Friday, November 11th at 2 pm in Mrs. Spencer’s office. We will discuss the program in more detail at that time.

I give my child, ____________________________________________, permission to participate in the Dragon Pals program at Arcola Elementary School.
