

# Prevention Alliance of Loudoun Parent Seminar Series

## Dating Violence and Healthy Relationships for Teens and Parents February 20, 2020 6:30 PM—8:30 PM Rust Library 380 Old Waterford Road, NW Leesburg, VA 20176

Join Loudoun Abused Women's Shelter (LAWS) for an interactive simulation experience called "In Their Shoes" (created by Washington State Coalition Against Domestic Violence). Teens and parents will follow the story of a teen character who is in an abusive relationship. Participants will be asked to make choices for their character and at times take on the perspective of the abuser. Following the simulation activity, participants will engage in a meaningful discussion about the experience and dating violence. Participants will then practice using active listening and assertive communication in an effort to empower teens and adults in their lives to be resilient, to identify warning signs, and to help others. Local and national resources will be provided.
