

# Kerry Mullane Reading Specialist

Ms. Mullane is excited to start a new chapter in her work life at Frederick Douglass Elementary School. This is her 16th year of teaching and she is honored to work with the students, staff, and parents at Frederick Douglass Elementary School.

She holds a Bachelor of Science degree in Elementary Education and a Master of Arts Degree in Reading. She has been a Reading Specialist in Loudoun County for 8 years. Before that, Ms. Mullane taught third, fourth, and fifth grades with experiences both in Pennsylvania and Virginia.

Ms. Mullane has two children who are her sunshine. Anna is in fourth grade and Collin is entering kindergarten. They are fortunate to be attending Frederick Douglass Elementary.

When she isn't at work, Ms. Mullane enjoys being with her family, listening to music, photography, reading, taking walks, riding her bike, running, and making crafts that she finds on Pinterest.
