## **IMPORTANT INSURANCE NOTICE—READ CAREFULLY**

**Loudoun County Public Schools does not provide medical or accident insurance for students injured while participating in school activities.**

### **Dear Parents and Legal Guardians:**

Students are accidentally injured while participating in school activities daily and have, unfortunately, required costly medical attention. Some parents either have no insurance coverage, have bills over-and-above what their insurance will pay, or are requesting that the school system pay the medical bills. **LCPS does not carry medical or accident insurance for students injured at school.**

The Voluntary Student Accident Insurance provided by *First Service Insurance* through *Markel Insurance Company* offers optional benefit plans of coverage from which you may choose (*Basic Benefit Option, High Benefit Option, and Extended Dental Option for School Time Only or 24-Hour Coverage*).

If you already have insurance coverage through another policy, these accident plans pay benefits for those eligible expenses **in excess of** and not paid by your primary insurance. If there is no other available insurance to you, the purchase of the Voluntary Student Accident Insurance coverage **will provide primary insurance protection** for the student.

Enrollment forms outlining available benefit options and rates may be obtained from your school or you may go online to [www.k-12admin.cbpinsure.com](http://www.k-12admin.cbpinsure.com) for further details and to purchase coverage. Enrollment in one of these applicable plans should be carefully considered.

**Please call the LCPS Risk Management Office if you have any questions or concerns at (571) 252-1280. Thank you.**
