

Liberty Elementary PTA Direct Donation Corporate Matching Gift Instructions

The Liberty PTA welcomes direct donations. Many employers have some sort of Matching Gift program whereby they will match their employee's contribution to charitable organizations. Please don't let this opportunity go by to help our school.

Please take a moment to examine the list of companies below. If you or your spouse work for any of the companies listed, there is a great chance that you can double your contribution to the Liberty Elementary PTA. In fact, if a grandparent, aunt, uncle or neighbor contributes to our PTA and they work for one of these companies, they can apply to have their donation matched as well. It is a very easy process:

1. Contact your company's Human Resources Dept. (or website) to obtain the matching gift form and fill out your portion completely. Liberty Elementary PTA is a non-profit entity with 501(c)(3) status.
2. Return the form and your check with your donation. Make your check payable to **Liberty PTA**. If you have already sent in your donation, please note that your payment has been made previously.
3. We will fill out our portion of the form and send it in.
4. If you have more than one child attending the school, PLEASE fill out just one matching gift form and write just one check.
5. Your company will mail the check directly to our school.

It is neither difficult nor time consuming to apply for a matching gift. IF YOUR COMPANY IS ON THE LIST, PLEASE HELP. Thank you!

A list of companies that offer Corporate Gift Matching Programs is attached. Please note: this list does not represent a complete listing of all entities that offer matching gift programs, nor does it necessarily indicate that an entity has continued its matching gift program. Also, some companies place a cap on either their matching program or the amount of matching per employee. Please contact your company's human resources department or matching gift office to verify their matching program.
