# Liberty Elementary School PTA

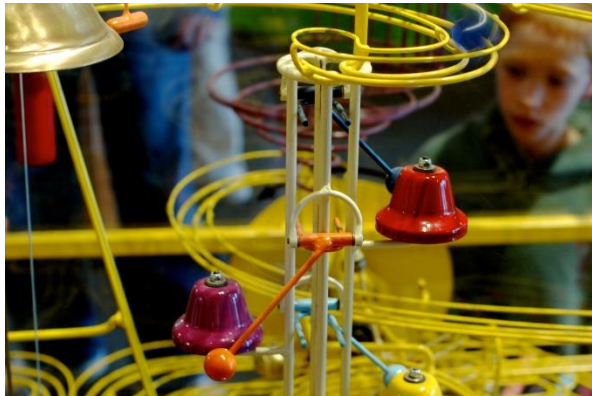

# What We Do and Why We Do It

The Liberty Elementary School PTA works to develop and unite the efforts between educators, parents, and the general public to help all students discover and reach his and her full potential.

Last school year, with the help of our dedicated and engaged parents, staff, and community, the PTA helped contribute over **\$87,000** directly to Liberty.

These funds go toward:

- New classroom and school technology like Chromebooks, iPads, and SMART lab
- Field trips
- Special events and speakers
- STEM curriculum and events
- Teacher appreciation and staff development
- and much more!
