The Steuart Weller Elementary School Library is conducting its annual Library Donation Program (formally known as “Birthday Books”). If your family would like to participate, please make a $15 or more donation to the library. In return, your child will choose from the new books purchased and their name will go inside this special library book on a nameplate. They will also be the first to check it out! Your child’s participation in this program will be announced on the morning news show when the new books arrive. They will then get to come down to the library to choose from the selection of new books!

In the past, this program has helped raise over $2,000 to purchase new books! It is important to keep our library collection current and relevant to meet the ever changing needs of our students and teachers. Children have a special appreciation for the book they select. They enjoy sharing it with their classmates, teachers, and family.

To participate, please fill out the bottom form and return to the library. You may pay by check, cash (no change provided), OR Online School Payment (OSP).

Library Donation Program

_____ YES, I want my child to be a part of this program to help raise money for library books!

Student’s Name: __________________________________________________________

Grade: ___________  Teacher: _____________________________________________
