Calling on all you artists out there!

2021-2022

Yearbook Cover Contest!!!

This school year we are finally back in the building, so the theme is “We’re Back!” We have chosen this theme to celebrate us all being back together and the start of things getting back to normal.

The cover should include the following:

- Paper size 8.5 x 11 paper. If you make a digital image, set the DPI to 300.
- Show the theme “We’re Back!”
- Try to keep images positive.
- Include the school’s name and the theme “We’re Back!” OR leave a space for that to be added later, especially if your lettering is not the strongest.
- Make sure it’s neatly done, creative and have fun!

Submit cover art by February 25th, 2022 to Mrs. Morrell Art 3 or give to the main office and they will get it to Mrs. Morrell
