

Parents and Students of Geometry and Algebra 1
Classes:

MAP Growth tests will be administered the week of April 26th. Your child's teacher should be reaching out to communicate times and dates. Please contact them directly or email the [Department Chair](#) for questions.

Geometry team: [Mrs. Jordan](#), [Mrs. Andrea](#), [Mr. Welge](#)
Algebra 1 Team: [Mrs. McConnell](#), [Mrs. Jordan](#), [Mrs. Deeb](#)

What is MAP Growth?

MAP Growth helps teachers understand what students know today, so goals can be set to improve growth throughout the year. **Students cannot pass or fail this test.**

This test will not affect grades. In fact, it's normal for students to only answer about half the questions correctly. **Please don't help them!**

Given the challenges of learning from home, MAP Growth test results are especially helpful for us this year. **These results will help us know what students are ready to learn.**

Test Preparation

Prior to Test Day

1. Make sure your device has an internet connection
2. Disable pop-up blocking on your internet browser
3. Make sure your device meets testing requirements using the [Workstation Diagnostic Tool](#)
4. Watch the MAP Growth [introduction video](#)
5. Practice the test at practice.mapnwea.org (Username: grow, Password: grow)

On Test Day

1. Minimize distractions for your child as much as possible
2. Provide a quiet testing environment
3. Allow the teacher/proctor to open the session first
4. Log in at test.mapnwea.org
5. Make sure you have a way to communicate with the teacher/proctor during the test
6. Follow any additional instructions from the teacher/proctor
