

Please join SEAC in honoring the following Award Recipients for the *2012 Recognition for Excellence in Supporting Special Education*. Recipients and nominees are celebrated for making a meaningful difference in the lives of individuals in the disability community at Loudoun County Public Schools.

This award celebrates the significant impact the recipients make in the lives of students with disabilities through motivation, encouragement and support. The recipients serve as a role model to peers because their actions promote inclusion and an environment where every student is valued, welcomed and encouraged to succeed.
