SEAC is pleased to announce the following Award Recipients for the  
**2013 Recognition for Excellence in Supporting Special Education.**

The Recognition for Excellence in Special Education celebrates the significant impact made in the lives of students with disabilities through motivation, encouragement and support. Award recipients and nominees serve as role models who promote inclusion and an environment where every student is valued, welcomed and encouraged to succeed.

SEAC extends congratulations and heartfelt gratitude to this year's nominees and to all those who submitted the more than 100 nominations representing 52 LCPS schools in addition to several non-school based nominations.

The awards will be presented to the recipients at a ceremony and reception on Tuesday, May 21, 2013 at 6:30 PM, at the School Board Room in the LCPS Administration Building.
