Special Education Advisory Committee**

TOWN HALL MEETING

April 18, 2013 – 6:30PM – 8:30PM

SEAC Board Members

Chairperson: Lisa Glasgow

Secretary: Megan Wagner

Vice Chair of Communication: Jodi Folta

Vice Chair of Membership: April Redmon

Vice Chair of Planning: Amy DiBari

TOWN HALL AGENDA

1. Welcome and Introductions – Lisa Glasgow
2. Introductions: Dr. Edgar B. Hatrick, Superintendent
Dr. Mary V. Kealy, Assistant Superintendent, Pupil Services
Eric Hornberger, Chair, School Board
Jill Turgeon, Vice Chair, School Board
3. Overview of LCPS Special Education – Mary M. Kearney, Director
Office of Special Education

The SEAC welcomes all parents, School Board members, school staff and members of the community to this opportunity to share constructive feedback. As a group that cares deeply for the students of LCPS, and especially the population of students with disabilities, we are grateful for your time.

- **Format** - Each person wanting to make a public comment will have 3 minutes to address the panel, in order to accommodate the volume of speakers. We encourage each person to put the public comment in writing so that the comment will be accurately recorded. We ask that you use your personal experiences and frame it in a general (systemic) way. Please refrain from using specific information for privacy purposes (i.e. student's name, school name, and teacher's name). We are looking for constructive feedback on systemic issues that will assist the SEAC in identifying unmet needs of students with disabilities.
- There will be rotations of 3 public comments, followed by the panel response.
- The meeting will conclude at 8:30 PM. Anyone who did not have the opportunity to make a public comment is encouraged to provide a written comment. Forms are available at the sign in table.
