

Math Department Grading Policy:

Grades will be calculated with 90% of the grade determined by **summative** assessments and 10% of the grade determined by **formative** assessments. Examples of summative and formative assessments are given below, but they are not limited to this list.

SUMMATIVE 90%	FORMATIVE 10%
Tests, Quizzes, Projects, Labs, Spiral review assignments (examples: skills reviews, problem sets, 0-100 quiz)	Warm-ups, Exit Tickets, Homework (on completion), classwork
