### Introduction of SEAC Officers and Liaisons
THE ROLE OF SEAC AND VIRGINIA REGULATIONS

The Regulations Governing Special Education Programs for Children with Disabilities in Virginia reflect the state and federal requirements for the provision of special education and related services. The regulations mandate that an active SEAC exists, as well as specific functions of the SEAC, as specified by Section 8VAC20-81-230 D.2, which are as follows:

1. Advise the local school division of needs in the education of students with disabilities;
2. Participate in the development of priorities and strategies for meeting the identified needs of students with disabilities;
3. Submit periodic reports and recommendations regarding the education of students with disabilities to the division superintendent for transmission to the local school board;
4. Assist the local school division in interpreting plans to the community for meeting the special needs of students with disabilities for educational services;
5. Review the policies and procedures for the provision of special education and related services prior to submission to the local school board; and
6. Participate in the review of the local school division’s annual plan.
Public Comment

• SEAC uses public feedback to inform our work to advise School Board on special education needs

• **Focus on system-wide issues**, rather than individual concerns or specific situations (*please do not use student or staff names*)

• Verbal comment may be given. **Please complete and submit comment form tonight** (please be sure to follow-up with SEAC Secretary with your written comment)

• Written comment may be read by author or SEAC Chair

• Remarks limited to 3 minutes
Updates:
• Review of May and October Minutes
• Annual SEAC Awards – Update on Trophies
• Executive Committee – November 3 at 7:30 p.m.
• December 1 SEAC Meeting - RTI International – Strategic Planning Process
• TNTP Independent External Review of K-3 Literacy

Current Issues:
• SEAC LCPS Webpage
• Updated to SEAC Meeting Dates for Jan. 12 and Feb. 9
• Public Comment Guidelines
• Career and Technical Education Advisory Committee
New Issues Identified in October

- Staffing Shortages – Requested Current Staffing Numbers
- Access to Online Learning – SEAC provided a Recommendations Document
- Evaluations – Failure to Initiate
- Parents reporting missing information with transfer to the VA IEP System – SEAC has received multiple inquiries regarding the IEP process and the new software.
- SEAC will be compiling this feedback and will be drafting a recommendations document.
- Special Education Student Transportation – Tracking Students
New Issues:
Data Tracking - Transition from Pearson’s DRA 2 to DRA 3
• Data that was collected under the DRA 2 was removed from the online system.
• LCPS was provided a compressed file for "safekeeping."
• Each student’s educational records should have printed copies of the DRA scores going back over the years. However, this was not checked before removing the DRA 2 data.
• DRA 2 data is now being deemed as "unavailable".
• This is valuable data that may be needed in eligibility determinations for special education.
• Regulation 8 VAC 20-131-80 of the Standards of Accreditation requires that schools shall maintain an early skills and knowledge achievement record in reading and mathematics for each student in grades kindergarten through grade 3 to monitor student progress and to promote successful achievement on the third grade Standards of Learning tests. This record shall be included with the student's records if the student transfers to a new school.
New Issues:

Policy 5350 Parental Notification for Screening and Assessments
• Adopted 9/28/2021
• Requires parents and legal guardians be notified of screening and of any results that may potentially indicate that their student is at-risk of not meeting grade level expectations.
• Notification shall include all such assessment scores and subscores and any intervention plan that result from such assessment scores and subscores.
Students with Disabilities are LCPS’ largest minority group
9,216 students receiving special education services.

SEAC Supplemental Survey Analysis

• Annual Report 2019-20
• First year to have a 3rd party independent analysis
• Contracted with Dr. Adam Winsler of Child Research, Evaluation, Data, and Information Technology Services (CREDITS, LC) and George Mason University for the qualitative and quantitative analysis.
• 2020-21 Survey Analysis
SEAC Annual Report

Barriers:

• LCPS has not released the 2019-21 Qualitative and Quantitative supplemental reports

• LCPS remains steadfast in wanting SEAC Raw data

• Special Education staff are pushing for changes in how the data was analyzed

• LCPS has not approved the 2020-21 Data Analysis, significantly impacting SEAC’s ability to provide the Annual Report
Data Analyses
• District
• School Level
• Disability Type

General Trend
• Early Childhood highest satisfaction
• Downward Trend as students move up to Elementary, Middle and High School
• This tracks with SEAC’s concerns raised over the last 2 years with the Special Education Delivery model at the middle and high school levels
SEAC Supplemental Survey Analysis
Areas for Improvement:

- Transition
- Assistive Technology
- ESY
- Communication and Collaboration with Parents
- Mental Health
- Social Skills Training
- Literacy Instruction – (reading, writing, spelling and handwriting)
- Inclusion
- Restraint and Seclusion – Behavior
- Equity
SEAC Supplemental Survey Analysis
Areas for Improvement:

Transition:

• All special education students
• College bound students – lack of knowledge and support identifying viable options
• Training facilities that are fully operational for job training and independent living skills
• Pre-employment and independent living skill assessment and tracking
SEAC Supplemental Survey Analysis
Areas for Improvement:

Meaningful Inclusion:
• Proactive planning for students with disabilities to meaningfully participate
• Universal Design for Learning in all classrooms to foster instruction in the least restrictive environment
• Accessible materials
• Support for extracurricular activities
• Instructional supports at the middle and high school are not sufficient
SEAC Supplemental Survey Analysis Areas for Improvement:

Social Emotional Learning:
• Social skills instruction
• Social Groups and Buddy Programs
• Bullying

Mental Health:
• More trained personnel
• More resources needed

Assistive Technology
• Dyslexia and Dysgraphia Supports for Students
• AAC
Equity:

Educational equity means that each child receives what they need to develop to their full academic and social potential.

- Title II of the ADA
- Section 504
- Home/School Communication
- Staffing
- Training for Substitute Teachers and Teaching Assistants before working with students
- Continuum of Special Education – restrictions placed on IEP teams
- IEP Services: lack of delivery efficacy for high school and middle school
- Compensatory/Recovery Services
SEAC Survey Analysis

• Funding needs to be separate from the Special Education Department

• Current funding did not have restrictions

• SEAC Annual Awards funding

• Will keep the School Board informed so the 2020-21 SEAC Annual Report can be completed.
Membership

• PTA/PTO Representatives and Member Training
  35 Schools with PTA/PTO Representatives
  (95 are needed)
  15 voting members - 6 open membership
  2 New membership applications

• New SEAC Members
• Liz Crotty and Carla Sola

If, due to a disability, you need assistance to enable you to participate in a workshop or need a language interpreter, call Parent Resource Services at 571-252-6540 at least five working days prior to the event.
“Angst: Raising Awareness around Anxiety”. This event is focused on breaking the stigma around anxiety and encourages healthy conversations about mental health. Throughout the film, viewers will hear from students who discuss their experience with anxiety, how it impacted their lives, and how they found solutions and hope.

Registration is required and limited to the first 500 participants. Those registered will receive a link and a resource guide on the morning of November 11th. The link will be live until 5:00 PM on November 12th. Registration: https://bit.ly/3DBog2x

This workshop will not be recorded but resources can be found on the Parent Resources Services webpage: https://bit.ly/3uf2K0j
MANDT Overview for Parents
Virtual Workshop
Tuesday, November 16, 2021
6:30 PM — 8:00 PM
Presented by:
Alison Lyons, Behavior Specialist

The Mandt® program was developed in 1975 and has been a teaching tool in many settings and professional fields worldwide. The focus is on treating people with dignity and respect, building healthy relationships, and implementing proactive interactions.

This presentation will provide information to parents regarding the basic Mandt® principles as they relate to relationship skills, conflict resolution, and communication.

The philosophy of the Mandt® system is based on “Putting People First” and “Supporting People, Not Just Their Behaviors.”

Registration is required.
To register and submit questions: https://bit.ly/3pdt0HP
A link to the session will be emailed the day of the presentation.

This presentation addresses the importance of building self-advocacy and workplace readiness skills during students’ middle and high school years. We will discuss the importance of planning for the future with the end in mind, defining transition and why it’s necessary, and becoming a self-advocate. We will also review the predictors of post-secondary success and share who our partners are and how they can support students. Finally, we will share transition-based resources. We look forward to seeing you for this informative session.

Registration is required.
