Technology to Support Reading and Writing

Wednesday, September 28, 2022
6:30 PM - 8:00 PM
21000 Education Court
Ashburn, VA 20148

Technology can be used to support the learning of literacy skills.

Explore multiple ways students can use available technologies to help improve different facets of reading and writing.

Learn strategies for using built-in accessibility features, aspects of Chrome extensions, and more to empower learners to improve their abilities to read and write.

Registration is required.

To register:

If, due to a disability, you need assistance to enable you to participate in a workshop or need a language interpreter, call Parent Resource Services at 571-252-6540 at least five business days prior to the event.
