Dear LCPS Families:

Loudoun County Public Schools (LCPS) has been providing meals to students since Friday, March 13. Thousands of meals have been served in just three days, and the program was expanded this week to include deliveries by bus.

After studying the demand for meals during the last three days, LCPS is consolidating meal service at 12 sites to concentrate resources where they are needed most.

In another change, meals will be available at schools from 10 a.m. to 1 p.m. at the school locations. Those receiving meals may take a breakfast and lunch. The scheduled school bus meal delivery schedule can be found at the [interactive map](#) on the LCPS website.

While some schools will no longer provide meals, nearby schools will have enough meals to meet the community's needs.

The meal sites listed below will discontinue meal service Wednesday, March 18. The nearest adjacent alternative site is also listed.
