Dear LCPS Families and Staff:

As we announced yesterday, Loudoun County School Nutrition Services (SNS) is expanding and extending free meal service in our school communities from March 16 to March 20 and March 23 to March 27 at schools and other designated locations. Please note, there will be no weekend service.

As a reminder, school-based meal service will be provided from 8 a.m. to 1 p.m. Meals will be available at each school and students will be allowed to receive two meals daily (a breakfast and a lunch) and can choose to take both meals simultaneously. Students can receive the meals at the school of their choice, not just at the school they attend.

LCPS is also using our school bus fleet to increase the availability of meal service to students that rely on schools for meal support. Delivery of meals to locations such as community centers and churches throughout the county will begin Monday, March 16, 2020.

[Maps](#) indicating the locations and scheduled times of "meal stops" are now posted on the [LCPS.org website](http://LCPS.org). Please arrive at the meal stops early to ensure buses can remain on schedule.

Thank you.
