Profile of a Graduate

Loudoun County Public Schools is one of 31 school divisions across the Commonwealth to join Virginia is for Learners Innovation Network. The network encourages its participating school divisions to create a Profile of a Graduate that “describes the knowledge, skills, experiences and attributes that students must attain to be successful in college and/or the workforce and to be ‘life ready.’”

The LCPS Profile of a Graduate identifies the five C’s each student should develop through interacting with authentic, challenging problems:

- Critical Thinker
- Communicator
- Contributor
- Creator
- Collaborator

Highlights

- Our purpose is for all students to make meaningful contributions to the world. To accomplish that, we design authentic, challenging learning experiences for Deeper Learning. We use a variety of instructional and assessment approaches including Project-Based Learning (PBL), Performance-Based Assessments (PBA) and Personalized Learning (PL). We provide equitable learning opportunities and supports that lead to deeper learning for all students.
- LCPS continues its commitment to equity during the 2021-2022 school year by ensuring that the resources and actions implemented last year remain priorities so that all students and staff experience affirming, welcoming and inclusive environments.
- A combined total of more than 6 million meals will be served free of charge this year, continuing our commitment to community care.
