

# How to Access your Virginia Retirement System Account - myVRS

Through the secure *myVRS* online system, you can look up your benefits, member contribution account balance and other information from your VRS record.

Start by visiting the Virginia Retirement System website at [www.varetire.org](http://www.varetire.org).

On the home screen, click on the *myVRS* icon on the right-hand side of the screen and then click on “Register” next to Members.

You will be directed to the *myVRS* login / register page. If this is your first visit to *myVRS*, click on *Register Now* below **New User?** If you have already registered, enter your Username and Password under **Welcome to myVRS!**

# How to Access your Virginia Retirement System Account - myVRS

If you are a Plan 1 or Plan 2 member, your *myVRS* home page will show your Membership at a Glance. You will see the date and amount of your reduced retirement benefit (in the blue box) and the date and amount of your unreduced retirement benefit (in the green box). Your current account balances are also displayed near the bottom of the screen.

# How to Access your Virginia Retirement System Account - myVRS

If you are a HYBRID member, your myVRS home page will show your Membership at a Glance and you will see the date and amounts of your unreduced retirement from your Defined Benefit account and your Defined Contribution account. Next to your Membership at a Glance, you can see how much you are contributing voluntarily to your VRS HYBRID account. Your current account balances are displayed near the bottom of the screen.

The screenshot shows the myVRS website interface. At the top, there is a navigation bar with the myVRS logo and links for Home, My History, Manage My Benefits, Retirement Planning, Benefit Estimator, Help, and Logout. Below the navigation bar, a yellow banner indicates a scheduled maintenance period from 6 to 8 p.m. on Thursday, June 1. The main content area is divided into several sections:

- Membership at a Glance:** Shows account information through 05/31/2017. The plan is VRS Hybrid Plan, with a membership date of 01/07/2014 and current service of 3 years, 3.60 months. The birthdate is 08/07/1971. A blue box indicates a voluntary contribution rate of 4.0%. A note states: "You are currently making the maximum contribution to this plan. Maximizing your future benefit is important to a successful retirement."
- Retirement Estimates:** Displays two boxes: "Defined Benefit" with a retirement date of 12/1/2037 and a monthly estimate of \$1,217.51; and "Defined Contribution" with a retirement date of 12/1/2037 and a monthly annuity of \$655.92. A note below states: "All benefits shown above are estimates only."
- Account Balance as of: 05/31/2017:** Lists the following balances: Member Contribution Account (\$8,100.11), Hybrid COV 457 Deferred Comp. (\$7,012.79), Hybrid VA 401(a) Cash Match (\$8,817.43), COV 457 Deferred Comp. (\$3,079.20), and Total (\$27,009.53).
- My Other Benefits:** Lists three benefits: Basic and Group Life Insurance, Disability | Long-Term Care, and Health Insurance Credit.
- What's New:** A green banner highlights "Social Security".

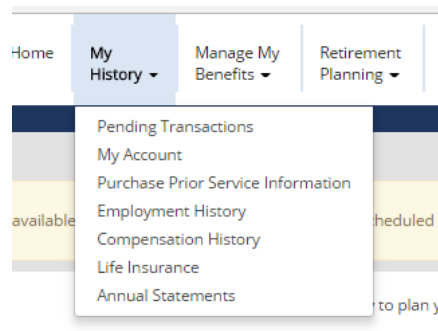

On the right side of the page, there are several sidebar sections:

- Looking Ahead:** A graphic of a compass with the word "RETIREMENT" written on it. Text: "It's never too soon to think about retirement. Learn more about retirement planning."
- Helpful Links & Resources:** Lists links for Hybrid Retirement Plan Member Handbook, Features & Benefits Video Series, ICMA-RC Account Access, Hybrid Retirement Plan Website, and Hybrid Retirement Plan Video.
- I Want To...:** Lists actions: Create a Benefit Estimate, Learn About a Refund, Update Voluntary Contributions, and Learn About Purchasing Service.

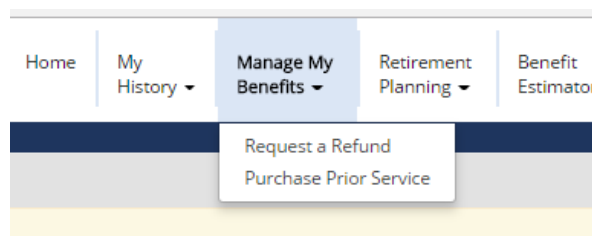

At the bottom left, there is a photograph of two hikers with backpacks on a mountain trail.

## How to Access your Virginia Retirement System Account - myVRS

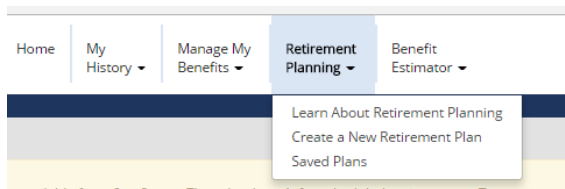

Under the **My History** tab, you can view your account, learn about purchasing service credit, look at your employment and compensation history, see how much life insurance you have, and check out your annual Member Benefit Profile.

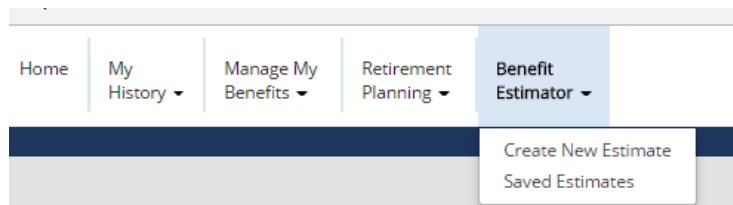

Under the **Manage My Benefits** tab, you can request a refund of your account balance (if you are an inactive member and have been separated from covered employment for 30 days) and apply to purchase prior service credit.

Under the **Retirement Planning** tab, you can research retirement planning and actually create a retirement plan unique to you!

Under the **Benefit Estimator** tab, you can see what your monthly retirement benefit might be at different ages and different Average Final Compensation amounts.

Spend some time getting familiar with your myVRS account. There are many resources available to you on this site and can assist you in preparing for your retirement.
