How to order a Seldens Landing Birthday Book

1. Log on to amazon.com by typing www.amazon.com in the URL window.
2. Click on the words “Wish List”. (Don’t click on the pull down arrow.)

3. Type nancy.coston@loudoun.k12.va.us in the box that is labeled “Find someone’s list.” Click GO.

4. Now you should see the Seldens Landing Birthday Book Wish List.

5. Use the scroll bar to look down through the list. Click on the title of the book to find more information about it. When you find the book you want, add it to your cart. (Please order the format that is listed! If possible we always try to choose hard cover or library bindings so the book will last for a long time!)
6. Click on “Proceed to Checkout”. Then, sign in. If you don’t have an account, you will have to create one.

7. Enter a new shipping address and ship the book to Seldens Landing at this address.

8. Choose your shipping speed.

9. Include your child’s name and teacher in the free gift note so we know whose name will go on the book plate once it reaches the library.

10. Pay for your item and check the order. When it arrives at school, we will process it and invite your child to the library to fill out their name plate. Your child will be the first to check it out!
