Ashburn Ruritan Club

2012-2013 Outstanding Student Citizen Award Application

Introduction

Each year the Ashburn Ruritan Club awards a scholarship to a student at each of the 21 schools in Ashburn including a senior at each high school. This year our high school scholarships are up to $2,000. The actual award amount will be decided by the club.

This award is to recognize high school seniors with strong academic credentials who go out of their way to support their community. We are not necessarily seeking to award this scholarship to the person with the combination of the highest GPA and the most volunteer hours. Rather we are looking for that individual whose contribution to their community sets an example for their peers. This could be an athlete who foregoes sports to help support their family. This could be the student who organizes a stream clean up. This could be the chorus member who entertains residents of the local senior citizen home. This could be you.
