Thought Questions:

1. To what extent did the American colonies exhibit equality, liberty, and self-government during the period from 1700-1750?

2. What impact did the Great Awakening have on religious, social, educational, and political developments in eighteenth-century America?

3. In what ways did the imposed system of mercantilism hurt and help the mainland British colonies?

4. “In the second quarter of the eighteenth century, no American more fully embodied the Enlightenment spirit than Franklin.” Assess the validity of this statement.
