Vision Discount Program

This program is available to you through EyeMed Vision Care. Vision wellness is important to your overall health and well-being. With the vision discount program, it’s easy to care for your eyes and save on your eyewear needs. You have access to the extensive EyeMed network of 40,000 national providers at approximately 20,000 locations, including some of the most recognizable names in eye care like LensCrafters®, Pearle Vision®, Sears Optical, Target Optical, and JCPenney™ Optical.

The program includes the following services:

- Exam with dilation (if necessary) - $5 off routine exam; $10 off contact lens exam
- Frames - 40% off retail price except when prohibited by the manufacturer
- Lenses - fixed prices for lenses and lens options
- Contacts - 15% off retail price for conventional contact lenses
- Laser Vision Correction (Lasik or PRK)* - 15% off retail price or 5% off promotional price

How the program works

The discount applies only to services you receive from providers in the EyeMed network. Select a participating EyeMed provider by visiting Humana.com or by calling EyeMed’s provider locator service at 1-866-392-6056. Once you’ve chosen a provider, call and schedule your appointment and tell them you have the EyeMed discount through Humana. Clip out the EyeMed Vision discount card printed on the next page and present the card at the time of your appointment. The EyeMed provider will take care of the rest and automatically apply the discount. You will not need to submit a claim. Since this is a discount offering, your ID, name, and address are not in EyeMed system.

Contact information

To select a participating EyeMed provider, visit Humana.com or call EyeMed’s provider locator service at 1-866-392-6056 (TTY: 711) Monday through Saturday, 8 a.m. to 11 p.m., and Sunday, 11 a.m. to 8 p.m. Eastern time.

* Because LASIK or PRK vision correction is an elective procedure, performed by specially trained providers, this discount may not always be available from a provider in your immediate location. For a location near you and the discount authorization, please call 1-877-5LASER6 (552-7376), Monday through Friday, 8 a.m. to 8 p.m., and Saturday, 9 a.m. to 5 p.m. Eastern time. If you use a TTY, call 711, Monday through Friday, 8 a.m. to 5 p.m. Eastern time.
If you lose your discount card, follow the instructions below to print a new card or just tell your provider you are a Humana member with the EyeMed discount. Your provider will look up your discount in the EyeMed system.

- Under the section “Already a Member?”: Click on the Humana.com link and a new window will open.
- Under the section “Medicare Plans”: There is a heading “Medicare HumanaVision discount program.” The printable PDF is located under the heading.
The Nutrisystem® program helps Americans lose weight simply and conveniently so they can enjoy vibrant, healthy lives. This low-calorie, nutritionally supercharged weight loss program is a good source of protein, fiber, and “good” fats – and it’s tempered with low sodium, reduced cholesterol, and fewer saturated fats – to help Americans shed pounds sensibly.

With Nutrisystem, you also get the Glycemic Advantage – a weight-loss breakthrough that gives you the benefits of a low-carbohydrate diet but lets you eat carbs. Nutrisystem foods contain “good carbs” so you can eat your favorite foods, including pizza, pasta, cookies, and chocolate.

**How the program works**

It’s easy to get started. Simply select your foods online or on the phone. You can choose from a huge variety of great-tasting meals and snacks – and they arrive on your doorstep, all ready to heat and eat. Since all of the prepared Nutrisystem foods are perfectly portioned, you never have to weigh portions or count calories and points. You get to eat six times a day to help reduce those cravings between meals. You have no meetings to attend, and you can call or e-mail the program counselors, nutritionists, and dieticians any time at no cost to you.

As a Humana member, you also get a 12% discount on all 28-day programs, which could translate into up to $45 off on the most expensive Nutrisystem program, in addition to the best available offer on the Website. And that isn’t all. You get free membership and free access to the Nutrisystem community through online support boards.

Complementary and alternative medicine (CAM) services include chiropractic care, acupuncture, and massage. As a Humana member, you can get these services at a discount through the Healthways Whole Health Network (HWHN) of more than 35,000 practitioners.

Services include:

- **Acupuncture** – A trained professional inserts and rotates very thin needles at key points on the body to stimulate various organs and systems.

- **Massage** – Using scientific manual techniques, a massage therapist manipulates soft tissues of the body to normalize those tissues.

- **Chiropractic care** – A chiropractor diagnoses spinal misalignments and corrects them by using hands to adjust the spine, joints, and muscles.

**How the discount works**

You don’t need a referral to visit a practitioner in the HWHN network. You may see HWHN providers as often as you like – but we encourage you to tell your primary care physician about any treatment you’re considering. If you’re already seeing a CAM professional who isn’t on the HWHN list, you can nominate that individual online for network consideration.

To get your discount, simply show the provider the discount card, which can be printed from Humana.com, or show your Humana insurance card.

**Contact information**

For details about the program, access the CAM Website from Humana.com. Once you log in to MyHumana, go to:

- Health & Wellness
- Savings Center, then select “Alternative Medicine”
- Scroll down to the middle part of the screen and there is a link – select “Find an alternative medicine provider”

To find a provider in your area, visit the HWHN Website at humana.wholehealthmd.com or call 1-866-430-8647 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m., Eastern time.
