AP Human Geography Summer Assignment 2019-2020
Due August 28th (A Day) or 29th (B day)

Basic political and physical geography are incredibly important components in order to understand the current state of world affairs. Human geography is not just about where things are, but explains how humans interact with their environment and each other. Therefore, it is very important that you have a basic understanding of where different countries are located as we begin this course!
