Principal’s Notes

Dear Bulldog Families,

With the recent shift in weather and the holidays fast approaching, fall is officially behind us. Special thanks to the Stone Bridge staff, parents, and students. By all measurable accounts, it was a successful fall. I am very proud of our accomplishments both inside and outside of the classroom.

One of my highlights this fall was the National Honor Society Induction Ceremony. On November 19th, we inducted over 150 students into NHS. One of the most impressive aspects of NHS is their commitment to community service. Aside from the academics, NHS members must conduct a minimum of 36 hours of community service in their first year. To put that in perspective, Stone Bridge NHS members (both current and new) will contribute over 10,000 volunteer hours serving in the community. I am incredibly proud of our students and the contributions they are making outside of school.

As we head into the 2nd 9-weeks, please remember to utilize CLARITY to review grades. With the opening of the portal in CLARITY, we no longer send home paper interims. Parameters can be set in the portal program to send email notifications when grades are updated or if grades are below a set point. Please contact the counseling office for more details.

Please have a safe holiday season!

Minute of Silence
Virginia Law requires schools to start the day with a ‘minute of silence’. The law allows for different uses of the minute so that “each pupil may, in the exercise of his or her individual choice, meditate, pray, or engage in any other silent activity which does not interfere with, distract, or impede other pupils in the exercise of their individual choice.” The law also specifies that “all pupils remain seated and silent and make no distracting display…” We will begin our announcements with the following statement, “As we begin another day, let us pause for a minute of silence.” Following the minute of silence, we will conclude with the Pledge of Allegiance. Please discuss this law with your students and help them understand that the expectation is for students to remain quiet.

Change of Address
If you moved recently please provide the change of address to the Counseling Department. The Change of Address form is located on the Stone Bridge website under the Counseling Office, General Information link. This form and proof of residency should be submitted as soon as possible. Updates to Phone/Email Contacts
The Parent Information Management System (PIMS) is an online tool that provides the parent/guardian the ability to manage changes to the phone/email in your child’s record. If you need to update current phone/email/emergency contact information, you can easily submit the update request online. Access the PIMS link at:
www.loudoun.k12.va.us
1. Click “Quick Links” on the left side.
2. Follow the prompts to update the records.
3. Once the request has been submitted, your child’s school will review the request before updating the record.

Notes from the Bookkeeper
Please note that a $10 fee will be assessed for all returned checks.

The Flea Market (aka: School Store)
Home of official Bulldog clothing, spirit items, school supplies and much more! The Flea Market is located in Room 401 and is open daily 8:25 am-8:55 am or by appointment at 571-252-2200 (ext: 82032).
Parking Permits
Parking passes will be distributed to eligible juniors and seniors who submitted applications after any deficiencies have been cleared. The fee for a parking permit for 2014-2015 is $200.00 for the school year or $100.00 for each semester. Please note that parking fees are not prorated.
Applications for a parking permit may be picked up in the main office or found online. Students are reminded that spaces are assigned and parking in any non-designated area is not permitted. Please note that parking is a privilege and students must remain in good standing to remain eligible to drive.

Parking Lot Information-Please Follow

Student Drop Off/Pick Up – Traffic in our parking lot presents many challenges and issues. For everyone’s safety, we ask that you drop students off and pick them up only in the front parking lot. Please do not drop students off in back of the school as this presents safety hazards and is not designed for that purpose!
Parking is not permitted in the bus loop during the following hours: 8:30 a.m. – 9:15 a.m. and 3:15 p.m. – 4:15 p.m. LCPS buses are scheduled to drop off and pick up students during these times and it is difficult for buses to maneuver safely to their lanes when vehicles are parked in this area. Thank you for your cooperation.

Relay for Life - May 16, 2015
We are partnering with Freedom High School to put on Relay 4 Life on May 16th 2015 at Freedom High School. Our goal is to create 20 individual teams from Stone Bridge to represent at the event. These groups can be made up of different Stone Bridge clubs, classes, sports teams, teachers, parents, and friends. Each team usually consists of 8-10 people. Each person pays a $10 registration fee to participate. Each person that raises $100 will earn a shirt and be a member of the Hope Club. If you're interested in forming a team, please email our activities coordinator, Mrs Adriana Rice: adriana.rice@lcps.org

We will have a "Registration Challenge Week", December 8-12th promoting the theme Celebrate, Remember, Fight Back. Our goal is to have as many team captains as possible sign up during this time. Every team that signs up by December 12th will be entered into a drawing for free pizza the night of the event!

Athletic Boosters
General Meeting: Monday Dec. 8, 7pm in the SBHS library. All are welcome.
Are you new to Stone Bridge or a returning parent who has never really known what Project Graduation is? Then read on... Project Graduation is an all-night graduation party hosted by Stone Bridge parents for our graduates to celebrate this important milestone and to keep our graduates safe on graduation night. The party is held at Stone Bridge on graduation night from 11:30pm – 5:00am and is attended by close to 80% of the graduating class. There are games, raffles, prizes and even a casino! The party is lots of fun, and as you can imagine, it’s a big undertaking that requires 200 parent volunteers.

Traditionally, freshman, sophomore and junior parent volunteers plan, organize and staff the party as a gift to the senior class and their parents. They “paid it forward” so that when their children are seniors they can enjoy graduation, celebrate with family and friends and not have to rush through the graduation festivities.

Planning is underway for Project Graduation 2015! Please mark your calendars to help Monday, June 15, 2015 and contact Mary Radford, Volunteer Coordinator, maryradford@verizon.net to let us know how you can help!

2014 White House Ornament
The Project Grad Committee still has a few ornaments available for purchase at a cost of $21. The 2014 Official White House Christmas Ornament honors President Warren G. Harding, who served as the 29th president of the U.S. from 1921-1923. Please contact Denise O’Brien at dobrien@visa.com to purchase an ornament.

Lost and Found
There are many “found” items in our front office. If you are missing something, please inquire with the front office staff.

Homegrown Heroes
The front hall of the school now showcases a beautiful mural dedicated to our SBHS Homegrown Heroes. Plaques on this wall list the names of Stone Bridge alumni who serve in the military or teach in the Loudoun County Public School system. If you know of someone whose name does not appear, please let us know!

Have a Safe and Wonderful Winter Break!

Classes resume Monday, January 5, 2015.

Excused Absences: Excused absences include personal illness, death in family, medical or dental appointments, court obligations, and religious holidays.

Prearranged absences must be approved by the administration (ex: college visits or family vacations – forms can be picked up from the attendance office). Other absences and early dismissals must be approved by attendance or administration.

- The attendance office will call parents to verify absences, tardies, and early dismissals.
- When students accumulate five unexcused absences during the school year, a parent conference will be held.
- When students are absent from school six unexcused days, the students will be required to submit a doctor’s note for additional absences for the remainder of the school year.
- When students are absent from school seven or more unexcused days, the parent and student will be referred to the Truancy Officer.

Students scheduled in ISR are not allowed to participate in any extracurricular activities until the day after they are released from ISR.

Tardy Policy to School: Students are expected to be on time to school and to class. Students with excused tardies to school due to a doctor, dental, or judicial appointment must report to the attendance office to sign in before going to class with a note from the doctor, dentist, or court letter. Notes from parents are not acceptable if you’ve been to the doctor, dentist, or court.

Unexcused tardies include: Oversleeping, car problems (won’t start, flat tire, can’t find keys, waiting for rides, parents running late, etc.), babysitting (siblings, neighbors children, or relatives), missing the bus, inspections, completing college applications, working on homework, projects, etc.

A note from home is required stating why the student must leave school, what time the student needs to leave, and a telephone number for the parent approving the dismissal. The student’s name, grade, and student ID should also be clearly stated on the note.

Calls will be made to verify all notes. If your child has an on-going medical condition which will require frequent dismissals from school, please call your student’s guidance counselor and/or contact Mrs. King in the attendance office. Frequent dismissals without a medical explanation will be under constant review by the attendance office and counselors. Students must be signed out prior to leaving.

Library News for December
Wishlist - As the holidays approach, the librarians would like to thank parents, staff, and students who have given the library a much needed boost by donating money, gift cards, and needed technology items such as a video camera and headphones for student use. There’s still time to become a library booster - make a donation (see page 23) or purchase an item from our Amazon wishlist. Thank you!

If you are looking for book ideas to give the readers on your list, be sure to check out our Pinterest page for some great titles.

Ebooks - The library added approximately 120 non-fiction ebook titles to our collection in November for your students (with more on the way). Students can access ebooks three easy ways: through our online catalog (there’s a link to it there), through a free app for smartphones, and through MackinVIA.com. Students log in using their school computer user ID and regular password. Once in MackinVIA, students can search for books, open books, and check them out. They can make a list of favorite ebooks to save. In addition, students can take notes and bookmark passages that will be saved in the Notebook feature. Librarians are available to show students how to use MackinVIA before and after school and during study halls. Students can access these ebooks at home or at school 24 hours a day, seven days a week.

American Education Week and Teen Advisory Group - During American Education Week, the library hosted its first Maker Space day. Students had access to Squishy Circuits and Little Bits to program and try different challenges with the circuits. The TAG students hosted a fun lunchtime trivia contest on Thursday.

Library Hours - Students are always welcome in the library, and we are open Monday to Thursday from 8 a.m. to 4:30 p.m. On Friday the library is open from 8 a.m. to 4 p.m. Students can also come to the library from their study hall.

Social Media - Please like us on Facebook (SBHS Library), follow us on Twitter (BulldogLibrarians@sbhslibrary), repin from us on Pinterest (BulldogLibrarians), and check out our Instagram (StoneBridgeLibrary).

National Spanish Exam
The National Spanish Examinations are online, standardized assessment tools for Grades 6 -12, given voluntarily throughout the United States to measure proficiency and achievement of students who are studying Spanish as a second language.

The purpose of the National Spanish Examination is
• to recognize achievement in the study of the Spanish language
• to promote proficiency in interpretive communication in the Spanish language
• to assess the national standards as they pertain to learning Spanish
• to stimulate further interest in the teaching and learning of Spanish

The cost of the exam is $5.00. It will be administered in school during the week of March 23rd. We will inform students of their testing time at a later date.

Top scorers on the NSE win gold, silver, or bronze medals. Top scorers are also eligible for college scholarships and various grants offered by the American Association of Teachers of Spanish and Portuguese.

Please send the registration fee of $5.00 with your son or daughter no later than Friday, January 23rd. Please make checks payable to Stone Bridge High School and write in the memo, “NSE 2015”. Please turn in the registration form and payment to Ms. Colby in room L210 or her mailbox in the main office.
Clinic Information

• The clinic’s direct line is (571) 252-2215

• If your student has any significant medical needs, please notify the nurse even if the school has been notified in previous school years. If your child has diabetes, seizures, life-threatening allergies, asthma or uses an inhaler, you should pick up forms for you and your physician to complete so the school can understand and address your student’s needs. If the student was in Loudoun County Public Schools last year, these forms were sent to you at the end of school in June.

• A parent or guardian must deliver any medication (prescription or non-prescription) to the school office or clinic. Students should not transport any medication to or from school. Parents are responsible for picking up unused medication. If a student mistakenly brings medication, he should turn it in to the clinic immediately.

• The nurse must have written instructions from the physician in order to administer prescription medication.

These instructions should include:

• Student’s name.
• Name and purpose of the medication.
• Dosage and time of administration.
• Possible side effects and measures to take if they should occur.
• End date for administering the medication.
• Parent signature-giving permission to administer medicine and to contact student’s Physician.
• Physician’s signature.

• A copy of the special “Medication Form” that should be used is available on page 20. It is suggested that you keep it for use should the need arise for your student to receive prescription medicine. Additional forms may be obtained from the main office or clinic.

• All prescription medicine must be in the original pharmacy bottle with the proper label containing the name of the student, dosage, and instructions for administration. If you ask, the pharmacy will give you an extra bottle with the proper amount of medication for school.

• If the nurse needs to give non-prescription medication: It must be in an original package with the name of the medicine and instructions.

• The nurse must have a note from the parent regarding when and how much medicine to administer.

• The nurse will only give the amount listed on the package for your student’s age and weight and for the recommended length of time the student should receive the medicine unless she has doctor’s orders on a medication form that indicates otherwise.

• The nurse cannot administer medicine that is not in its original container.

• Students who have fevers should be kept at home until free of fever for 24 hours.

• All 10th graders and students new to Loudoun County Public Schools will be screened for vision and hearing during the first two months of school. Parents will be notified of any concerns.

• Be sure to keep the “Emergency Information” up-to-date so that we can reach you if your student is ill or injured.

Acetaminophen (Tylenol) is the only medication supplied by the school. The nurse must have written parental permission in order to administer this medication. Please be sure that the Tylenol permission information on the emergency card is completed and that your signature is on the form. Because Acetaminophen, in large amounts, over a period of time, can cause liver damage, the nurse will give only 4 doses in a 4 week period. Before a fifth dose is given, the parent will be contacted.

Parent Workshop
Please join us for our one-night school presentation:

Little-Known Secrets of Paying for College

For many families, the high cost of higher education is a daunting proposition. Since 2002, our workshop has educated parents throughout Virginia and Maryland regarding the complicated and often frightening proposition of paying for college. We demonstrate strategies that have helped save families over $40,000 per year in tuition and fees. While the high school college and career counselors serve a valuable role in helping students and families prepare for and select schools, our unique program teaches families how to pay for schools that they may have thought were out of reach based upon the “sticker price.”

Attend Our Workshop to Learn:

- Strategies to attend private universities for the same out of pocket cost as in-state schools
- An overview of financial aid and how to qualify for the maximum package
- Unique strategies to pay for multiple children attending college simultaneously
- An insider’s view of the college admissions process
- How to recapture out of pocket college costs
- Avoid jeopardizing your retirement nest egg
- And much, much more!

Please join us for this special presentation for the parents of Stone Bridge High School students. This December 8th two-hour workshop is a tremendous complement to the campus visits and the other school programs that will ultimately make college an attainable and fiscally efficient goal for your family. For more information, please contact Tim Lucas, tim.lucas@lcps.org.

Season passes are good for all regular home games at Stone Bridge High School for the school year 2014-15. This does not include playoff or tournament games. The family plan is for immediate family members living in the same house. A maximum of six members (2 adults and 4 children) can be on a family membership.

If you attend all Stone Bridge home games this year, you will spend over $500.00 on tickets. Season passes can provide a tremendous saving to families of student-athletes involved in multiple sports. Fill out the order form below, make check payable to Stone Bridge High School, and return to school either by mail or in person to the Athletic Department. For further information, please call the Athletic Department at (571)-252-2210. Thank you for supporting Stone Bridge Athletics.
