ELEVATE LOUDOUN
Student Conference and Computer Science Internship Fair

Who: All LCPS High School Students
What: Student Conference & Computer Science Internship Fair
Where: Virtual Google Meet (schedule available in Sched)
When: November 1, 2021
8:00 am - 3:30 pm

Why: To support LCPS high school students in gaining real world skills and tools to join the future Loudoun workforce.

Students Needed

LCPS Partner seeks high school students in LCPS to engage with local employers to learn:

1. effective resume skills,
2. about personal career experiences from professionals, and
3. hear about computer science internship opportunities.
