Principal’s Notes

Old man winter has certainly taken his toll on us this year. Hopefully, we can string together a few uninterrupted weeks in a row and get back to normal. Special thanks is given to staff and students for helping make the best out of a tough situation.

As our winter athletic season draws to an end, I send my congratulations to the coaches and players who made this season a success. Win or lose, our teams are excellent representatives of Stone Bridge. I am proud of their accomplishments both inside and outside of competition.

Special thanks goes to Taylor Holman who was our January student representative on the Loudoun County School Board. Taylor did an excellent job highlighting the successes of our school. She also got to take part in one of the busiest months of the year for the board, budget season.

Next month, Stone Bridge High School will participate for the second year in a row on the OECD test. The OECD test is the industry standard that is used to compare school performance on both a national and international level. OECD test data is commonly used when comparing the quality of schools/education in the United States with other countries throughout the world. Last year, I am proud to say that Stone Bridge High School performed very well. Not only did we perform within the top quartile in the U.S., we also outperformed several top tier nations on an international level. Unlike some standardized tests, the OECD test assesses the practical application of concepts in reading, math, and science rather than the simple memorization of facts. Test results are reported out as a school and not on an individual level. In addition, results from the test are not used as “rankings” or evaluators for schools. Rather, data from the test provides valuable feedback for the school improvement process.

Lastly, I want to say thank you to the PTSO for hosting the Thunderstruck talent competition. I was amazed at the level of talent displayed by all of the acts. Congratulations to Dejon Danhi who captured the $1000 prize in the dance category. He truly, “brought the house down” with his performance!

**Minute of Silence**

Virginia Law requires schools to start the day with a ‘minute of silence’. The law allows for different uses of the minute so that “each pupil may, in the exercise of his or her individual choice, meditate, pray, or engage in any other silent activity which does not interfere with, distract, or impede other pupils in the exercise of their individual choice.” The law also specifies that “all pupils remain seated and silent and make no distracting display…” We will begin our announcements with the following statement, “As we begin another day, let us pause for a minute of silence.”

Following the minute of silence, we will conclude with the Pledge of Allegiance. Please discuss this law with your students and help them understand that the expectation is for students to remain quiet.

**Change of Address**

If you moved recently please provide the change of address to the Counseling Department. The Change of Address form is located on the Stone Bridge website under the Counseling Office, General Information link. This form and proof of residency should be submitted as soon as possible. **Updates to Phone/Email Contacts**

The Parent Information Management System (PIMS) is an online tool that provides the parent/guardian the ability to manage changes to the phone/email in your child’s record. If you need to update current phone/email/emergency contact information, you can easily submit the update request online. Access the PIMS link at:

[www.loudoun.k12.va.us](http://www.loudoun.k12.va.us)

1. Click “Quick Links” on the left side.
2. Follow the prompts to update the records.
3. Once the request has been submitted, your child’s school will review the request before updating the record.

**Notes from the Bookkeeper**

Please note that a $10 fee will be assessed for all returned checks.

**The Flea Market (aka: School Store)**

Home of official Bulldog clothing, spirit items, school supplies and much more! The Flea Market is located in Room 401 and is open daily 8:25 am-8:55 am or by appointment at 571-252-2200 (ext: 82032).
Parking Permits

Parking passes will be distributed to eligible juniors and seniors who submitted applications after any deficiencies have been cleared. The fee for a parking permit for 2014-2015 is $200.00 for the school year or $100.00 for each semester. Please note that parking fees are not prorated. A limited number of daily passes is available for a small fee per day.

Applications for the second semester may be picked up in the main office or found online. Students are reminded that spaces are assigned and parking in any non-designated area is not permitted. Please note that parking is a privilege and students must remain in good standing to remain eligible to drive.

Parking Lot Information

Student Drop Off/Pick Up – Traffic in our parking lot presents many challenges and issues. For everyone’s safety, we ask that you drop students off and pick them up only in the front parking lot. Please do not drop students off in back of the school as this presents safety hazards and is not designed for that purpose!

Parking is not permitted in the bus loop during the following hours: 8:30 a.m. – 9:15 a.m. and 3:15 p.m. – 4:15 p.m. LCPS buses are scheduled to drop off and pick up students during these times and it is difficult for buses to maneuver safely to their lanes when vehicles are parked in this area. Thank you for your cooperation.

Please do not park in the surrounding neighborhoods. Towing is a possible consequence for parking in private townhouse and business parking lots.

Faster Lunch Lines – Café Prepay

Pre-paying for meals and other purchases helps the lunch line move quickly. You may pay in the school cafeteria with cash or personal check made payable to “County of Loudoun”.

You may also pay via the internet. These must be made in 20-lunch increments. Café Prepay will add a 6% handling fee to offset administrative costs for processing. Follow these instructions to get started:

2. Follow the instructions on the screen.

Giving Back to the Community

Last month, DECA collected new hats for kids with cancer. This was part of their “Hats Off to Wayde” campaign in honor of LCPS Spokesman Wayde Byard who called quite often in January!

Upcoming Volunteer Opportunities:

Join Stone Bridge and Freedom High School Saturday, May 16th at Freedom from 3pm-midnight for a Relay for Life Event benefiting the American Cancer Society. This event is different from the Loudoun County Relay for Life held at Heritage High School in that this event is focused more on the local high schools coming together, and it is entirely student driven. We encourage friends, clubs, sports teams, teachers and parent groups to form a team in the fight to end cancer.

Visit the Activities page on the website to find out how you can set up a team, join one, or simply donate. We appreciate your support!

Senior Ethics Day

Table Hosts Needed!

Every year, seniors at SBHS have a special off-site conference called Ethics and Leadership Day. It is held at the National Conference Center and is designed to help students think about and grapple with ethical dilemmas as they prepare for life after high school.

A table host is responsible for helping a small group of students have a conversation about the ethical issues presented in three different scenarios. The host does not give “answers” but is a guide to help students participate fully in the process. This year’s Ethics and Leadership Day will be on **Wednesday, March 18th**. As a table host, your time commitment would be from 8:15 to 1:30p and there is no advance preparation needed. Lunch will also be served!

Please consider giving your time to this great event. More details will follow as the day gets closer. Contact Heather Jolly at heather.jolly@lcps.org with your interest. Thank you!

Are you new to Stone Bridge or a returning parent who has never really known what Project Graduation is? Then read on… Project Graduation is an all-night graduation party hosted by Stone Bridge parents for our graduates to celebrate and stay safe on graduation night. The party is held at school on graduation night from 11:30 pm – 5:00 am and is attended by close to 80% of the graduating class. There are games, raffles, prizes and even a casino! The party is lots of fun, and as you can imagine, it’s a big undertaking that requires 200 parent volunteers.

Traditionally, freshman, sophomore and junior parent volunteers plan, organize and staff the party as a gift to the senior class and their parents. They “pay it forward” so that when their children are seniors they can enjoy graduation, celebrate with family and friends and not have to rush through the festivities.

Planning is underway for Project Graduation 2015! Please mark your calendars to help Monday, June 15, 2015 and contact Mary Radford, Volunteer Coordinator, maryradford@verizon.net to let us know how you can help!

Lost and Found

Items may be picked up in the front office and in the locker rooms.

If you SEE something
SAY something™

Loudoun County Public Schools has joined the U.S. Department of Homeland Security’s If You See Something, Say Something™ campaign to strengthen awareness of suspicious activity. Keeping America’s schools safe from harm is everyone’s responsibility. LCPS is enlisting the support of all who visit Loudoun County to join in the national campaign to keep schools safe through active reporting of suspicious behavior or activities.

Attendance Policies for the 2014-2015 School Year

All absences and tardies must be called in to the attendance hotline: **571-252-2202**. This is a 24 hour line that takes messages only. Please call each and every time your student(s) will be out of school or tardy.

Excused Absences: Excused absences include personal illness, death in family, medical or dental appointments, court obligations, and religious holidays.

Prearranged absences must be approved by the administration (ex: college visits or family vacations – forms can be picked up from the attendance office). Other absences and early dismissals must be approved by attendance or administration.

- Parents are expected to call if a student is going to be absent or tardy to school. The number for the hotline is 571-252-2202. Mailbox #1 is for 9th grade, box #2 is for 10th grade, box #3 is for 11th grade and box #4 is for 12th grade.
- The attendance office will call parents to verify absences, tardies, and early dismissals.
- When students accumulate five unexcused absences during the school year, a parent conference will be held.
- When students are absent from school six unexcused days, the students will be required to submit a doctor’s note for additional absences for the remainder of the school year.
- When students are absent from school seven or more unexcused days, the parent and student will be referred to the Truancy Officer.

Truancy (unexcused absence) and Leaving School without Permission

- Second Offense: ISR*
- Third Offense: ISR*
- Fourth Offence: Administrative options

*Any student and/or students on early release who are assigned to ISR (In-School Restriction) are expected to remain for the entire school day. If a student works, the student is expected to inform the employer that he/she will be late. No student should schedule doctor appointments for their ISR dates. Students scheduled in ISR are not allowed to participate in any extracurricular activities until the day after they are released from ISR.

Tardy Policy to School: Students are expected to be on time to school and to class. Students with excused tardies to school due to a doctor, dental, or judicial appointment must report to the attendance office to sign in before going to class with a note from the doctor, dentist, or court letter. Notes from parents are not acceptable if you’ve been to the doctor, dentist, or court.

Unexcused tardies include: Oversleeping, car problems (won’t start, flat tire, can’t find keys, waiting for rides, parents running late, etc.), babysitting (siblings, neighbors children, or relatives), missing the bus, inspections, completing college applications, working on homework, projects, etc.

Athletes or students participating in activities or other extracurricular activities who arrive after 9:15 a.m. must have a doctor, dental, or court appointment notice to participate in sports after school (practices or games).

A note from home is required stating why the student must leave school, what time the student needs to leave, and a telephone number for the parent approving the dismissal. The student’s name, grade, and student ID should also be clearly stated on the note.

Calls will be made to verify all notes. If your child has an on-going medical condition which will require frequent dismissals from school, please call your student’s guidance counselor and/or contact Mrs. King in the attendance office. Frequent dismissals without a medical explanation will be under constant review by the attendance office and counselors. Students must be signed out prior to leaving.

Library News for February

Although February is a short month, we have lots of events happening for students to show their love of reading and the library.

Please show some love to the library and come out to Bertucci’s in Ashburn on Tuesday, February 24 for a fundraiser to benefit the library. All money raised will be used to update our technology and to refresh our physical space. The fundraiser runs from 4pm to 9pm and is good on dine in, carry out or delivery. Simply present the flyer located at the end of the newsletter or found here and Bertucci’s will take care of the rest. The address is 44042 Pipeline Plaza.

During the third quarter, we challenge our Bulldogs to read! Students simply accept the challenge, set a goal, and read to it. Challenge forms are available in the library, and we’d love to see students tweet about their books using #SBHreads. We are also hosting an Instagram challenge for students to show their love of books each day during the month of February. Pictures for the challenge can be followed on our social media pages using #loveSBHlibrary.

Our makerspace activity for the month will take place on Feb. 10th and 11th. Students will be able to make heart-themed friendship bracelets to give away or keep for themselves to wear their hearts on their sleeves. They can also make Valentine’s Day cards to give to friends and family.

Students can stop in to check out our new books and our book displays: Black History Month (both fiction and non-fiction displays), Love stories, Heart for Art and other books we love. Let us help you find the perfect match to read.

Although January was a short month thanks to the winter weather, we were as busy as usual. We had our first official snow day, predicted by 5 people in our weather, we were as busy as usual. We had our first official snow day, predicted by 5 people in our “When Will Wayde Call?” contest. Jack Lynch won the iTunes card for his correct prognostication. At the end of January, we hosted an informational Course Selection Expo where students could get additional details about many of the courses offered. This coincided with Guidance classroom visits to discuss schedules for next year. See pictures from the event on our Facebook and Instagram pages. Thanks to the students and staff who participated.

Battle of the Books – Stone Bridge will host the semi-final Battle of the Books contest on Wednesday, April 8, 2015. Five schools will compete in the annual challenge and we need your assistance. We are looking for donations of food and drink, and we also need a few parents to help serve at the luncheon. If you can help, or if you have a business that can assist with donations, please sign up at the following website, or contact one of the sponsors: Cassandra.Donahue@lcps.org or Sally.Carlo@lcps.org. Thank you.

Library webpage. As your students complete work at home, don’t forget that the library has many resources available 24/7 via our website. Database resources (containing encyclopedia articles, scholarly journals, primary sources, news and magazine articles and much more), the online catalog, assignment pathfinders, and research paper help are all located on our website.

Student help. The librarians are available to assist students with research assignments. Students can always ask for help before and after school, during lunch, and during study hall.

Library Hours - Students are always welcome in the library, and we are open Monday to Thursday from 8 a.m. to 4:30 p.m. On Friday the library is open from 8 a.m. to 4 p.m. Students can also come to the library from their study hall.

Social Media - Please like us on Facebook (SBHS Library), follow us on Twitter (BulldogLibrarians@sbhlibrary), repin from us on Pinterest (BulldogLibrarians), and check out our Instagram (StoneBridgeLibrary).

Health News from the Nurse

It’s that time of year again for Flu and Norovirus to spread into the general population. Norovirus is a type of “stomach bug” that spreads quickly and usually lasts 24-72 hrs. It is found in the vomit and stool of infected people. You can get it by:

- Eating food or drinking liquids that are contaminated with norovirus
- Touching surfaces or objects with norovirus on them, then putting your fingers in your mouth
- Having direct contact with a person who is infected with norovirus, for example, when caring for someone with norovirus or sharing foods or eating utensils with them

People with norovirus illness are contagious from the moment they begin feeling sick and for the first few days after they recover. Some people may be contagious for even longer. There is no vaccine to prevent norovirus infection or drug to treat sick people. If you are sick, see your doctor and stay home to prevent others from getting sick.

As we all have heard recently the Flu has started and is also highly contagious. The flu virus can be shed by infective persons before they know they are sick and sometimes for up to 10 days after onset of symptoms. Our best defense is frequent hand washing, cough etiquette, the flu vaccine, getting enough sleep and
drinking plenty of water. It takes 2 weeks for the flu vaccine to build up antibodies and to start to become effective. Remember that Tamiflu needs to be taken within 48 hours of onset of the flu. Tamiflu is not 100% effective, but it can help to reduce the symptoms. For more information, please check out the CDC.gov website regarding the flu.

Clinic Information

- The clinic’s direct line is (571) 252-2215

- If your student has any significant medical needs, please notify the nurse even if the school has been notified in previous school years. If your child has diabetes, seizures, life-threatening allergies, asthma or uses an inhaler, you should pick up forms for you and your physician to complete so the school can understand and address your student’s needs. If the student was in Loudoun County Public Schools last year, these forms were sent to you at the end of school in June.

- A parent or guardian must deliver any medication (prescription or non-prescription) to the school office or clinic. Students should not transport any medication to or from school. Parents are responsible for picking up unused medication. If a student mistakenly brings medication, he should turn it in to the clinic immediately.

- The nurse must have written instructions from the physician in order to administer prescription medication.

These instructions should include:

- Student’s name.
- Name and purpose of the medication.
- Dosage and time of administration.
- Possible side effects and measures to take if they should occur.
- End date for administering the medication.
- Parent signature-giving permission to administer medicine and to contact student’s Physician.
- Physician’s signature.

- A copy of the special “Medication Form” that should be used is available on page 20. It is suggested that you keep it for use should the need arise for your student to receive prescription medicine. Additional forms may be obtained from the main office or clinic.

- All prescription medicine must be in the original pharmacy bottle with the proper label containing the name of the student, dosage, and instructions for administration. If you ask, the pharmacy will give you an extra bottle with the proper amount of medication for school.

- If the nurse needs to give non-prescription medication: It must be in an original package with the name of the medicine and instructions.

- The nurse must have a note from the parent regarding when and how much medicine to administer.

- The nurse will only give the amount listed on the package for your student’s age and weight and for the recommended length of time the student should receive the medicine unless she has doctor’s orders on a medication form that indicates otherwise.

- The nurse cannot administer medicine that is not in its original container.

- Students who have fevers should be kept at home until free of fever for 24 hours.

- All 10th graders and students new to Loudoun County Public Schools will be screened for vision and hearing during the first two months of school. Parents will be notified of any concerns.

- Be sure to keep the “Emergency Information” up-to-date so that we can reach you if your student is ill or injured.

Acetaminophen (Tylenol) is the only medication supplied by the school. The nurse must have written parental permission in order to administer this medication. Please be sure that the Tylenol permission information on the emergency card is completed and that your signature is on the form. Because Acetaminophen, in large amounts, over a period of time, can cause liver damage, the nurse will give only 4 doses in a 4 week period. Before a fifth dose is given, the parent will be contacted.
